On August 27, 1965, [redacted] stated he was acquainted with M. L. McEntyre of 7529 Meadowview, Houston, Texas. [redacted] indicated McEntyre had told him very recently there were firearms stored in the St. John's Baptist Church, a Negro church located on Dowling Street in Houston. McEntyre claimed this information had come to him from an air conditioning service man whose name he would not reveal. When [redacted] suggested that this information should be turned over to the Federal Bureau of Investigation, McEntyre stated he would contact his informant and advise him that the Federal Bureau of Investigation would be interested in this matter but that he would recommend to this man that he not contact the Federal Bureau of Investigation.

[redacted] further stated McEntyre claimed he belonged to an organization, not the "Minutemen", the purpose of which is to fight communism.

[redacted] expressed the opinion that McEntyre is probably a radical individual who is an opportunist and may be making a living by soliciting contributions to the organization with which he claims to be connected.

On August 30, 1965, [redacted]

[redacted] advised on the basis of the limited description available concerning the automatic weapons mentioned above, it would appear these weapons might be obsolete United States Army weapons. [redacted] stated before such

weapons can normally be destroyed by an Ordnance Depot it is necessary to obtain clearance for such action from the headquarters of the Fourth United States Army, Fort Sam Houston, Texas. [ ] stated he would attempt to arrange for his office to be advised of any requests received by the Fourth Army for authority to destroy such weapons.

b6  
b7C

[ ] stated his office had made a preliminary survey and had determined the Red River Arsenal, Texarkana, Texas, was the only arsenal located within three hundred miles of Houston which was authorized to destroy weapons in quantities such as one hundred or more at a time. He stated that other military units are permitted to destroy one or two weapons at a time when these become faulty but quantity destruction is accomplished only at the Red River Arsenal.

On the basis of information developed to date, the activities of McENTYRE suggest he may be using the fear of racial violence as the base for a scheme to collect money ostensibly to purchase firearms, with no intention of delivering such firearms. However, investigation will be directed to determining if there is an actual organization in existence and to follow activities of McENTYRE. If it appears McENTYRE may actually have access to automatic weapons or other firearms owned by the U. S. Government, appropriate investigation will be initiated under the TGP statute.

[redacted] mentioned in this memorandum, advised on 8/30/65 that [redacted] ICG Resident Agent, Texarkana, Texas, has good sources at the Red River Arsenal who should be able to develop information concerning any loss or destruction of automatic weapons. This comment is furnished for the possible assistance of the Dallas Office.

The confidential informant mentioned in this memorandum is [redacted] (PROB).

This memorandum is classified confidential because information furnished by this informant if disclosed to unauthorized persons could tend to identify this informant of continuing value and destroy his future effectiveness.

#### LEADS

#### REQUEST OF THE BUREAU:

The Bureau is requested to search indices concerning Western American Protective Police and M. L. McENTYRE and furnish Houston any available pertinent information.

HO 100-10177

DALLAS:

AT DALLAS, TEXAS:

Will check office indices and furnish any available information concerning Western American Protective Police or M. L. McENTYRE.

AT TEXARKANA, TEXAS:

1. Will immediately make discreet inquiry through established sources at the Red River Arsenal to determine whether drum magazine .45 caliber Thompson submachine guns are available at this arsenal, whether there have been any thefts or losses of this type weapon, and whether there have been any orders received to destroy quantities of these weapons.

2. If there have been orders to destroy such weapons, Dallas should discreetly determine the employee actually ordered to effect this destruction, inasmuch as it may be necessary to interview him at an early date.

3. Inasmuch as it is alleged that such weapons may be obtained within the next week by captioned organization, if there are plans for such weapons to be destroyed, Dallas should consider appropriate steps to have surveillance or other coverage conducted in an effort to determine if such weapons are diverted to persons connected with captioned organization.

EL PASO:

AT EL PASO, TEXAS:

1. Will check office indices and furnish Houston any available information indicating the Western American Protective Police or M. L. McENTYRE may have been active in that area.

HC 100-10177

2. El Paso is requested to advise whether any reports, verified or otherwise, have been received alleging that explosives or weapons may be stored in quantities in the El Paso area.

JACKSON:

AT JACKSON, MISSISSIPPI:

Is requested to search indices and advise Houston if any pertinent information may be available indicating captioned organization or M. L. McENTYRE may have been active in that area. This lead is based on the belief that Jackson has conducted similar investigations involving alleged procurement of weapons by Klan-type organizations.

NEW ORLEANS:

AT NEW ORLEANS, LOUISIANA:

Will check office indices in accordance with lead set out above for Jackson.

SAN ANTONIO:

1. Will check office indices for any information concerning captioned organization and/or M. L. McENTYRE.

2. Will make inquiry of appropriate officer at 4th U. S. Army Headquarters, Fort Sam Houston, Texas, to learn whether any requests have been received for authority to destroy drum magazine type .45 caliber Thompson submachine guns within the territory of the 4th U. S. Army. Will arrange to be immediately advised in the event such requests are received and will set out appropriate leads to the office covering the ordinance depot or arsenal involved.

HO 100-10177

HOUSTON:

AT HOUSTON, TEXAS:

1. Will conduct credit and police record checks concerning M. L. McENTYRE.

2. Will obtain records of long distance telephone calls charged to the residence of M. L. McENTYRE, telephone number HI 7-3716, Houston, Texas. b2 b7D

3. Will maintain close contact with  (PROB).

Re Houston airtel to Bureau dated 8/30/65 and enclosed  
LHM dated 8/30/65.

Enclosed to Little Rock are one copy each of the  
above.

The attention of the Bureau and Houston is directed  
to the case entitled "UNSUBS; Alleged Sale and Transportation  
of Arms and Ammunition from San Antonio, Texas, to the Ku Klux  
Klan in Mississippi, Week of July 9 - 13, 1965. RM" which  
title was changed to [REDACTED]

[REDACTED] Houston file number not known, San Antonio  
file 157-409.

The allegation in mentioned case was that during the  
week of July 9 - 13, 1965, ten new Thompson submachine guns  
in crates and one 30 caliber or 50 caliber automatic weapon  
on a tripod and a large amount of ammunition for both types of  
fire arms were shipped to the Ku Klux Klan in Mississippi.

SA 100-9977

In connection with the above matter, the following investigation was conducted concerning any missing Thompson submachine guns.

On 7/14/65, [redacted] Investigation Section, Security and Law Enforcement Division, Kelly Air Force Base, advised SA [redacted] that there are no Thompson machine guns on Kelly AFB, and that there has been no report of any such weapons being missing at Kelly AFB.

On 7/14/65, [redacted] Maintenance Division, and [redacted] Fort Sam Houston, advised SA [redacted] that there are very few Thompson machine guns in use by the U. S. Army at the present time. Neither had heard of any being missing. [redacted] said that he knew of only one submachine gun having been in for repair in the last several years.

On 7/14/65, [redacted] Fort Sam Houston, Materiel Management Branch, advised that there is only one 45 caliber machine gun on the inventory of Fort Sam Houston at this time. She had not heard of any being reported missing.

On 7/14/65, [redacted] Logistics Branch, Headquarters, 4th U. S. Army, which covers the states of Texas, New Mexico, Oklahoma, Arkansas, and Louisiana, advised that all reports of missing machines guns come across his desk. He said that he had not seen any reports for many months of any machines guns being missing. He also said that the older calibers of weapons formerly in use have been replaced by newer weapons.

On 7/14/65, [redacted] and [redacted] Headquarters, 4th Military PO Group (Criminal Investigations), and [redacted], Office of the Provost Marshal, 4th Army, advised that they had not received any reports of missing machine guns.

SA 100-9977

On 7/14/65, [redacted] and [redacted] Detachment D, Fourth MP Group, Fort Sam Houston, advised that they had not received any reports of missing machine guns.

On 7/14/65, SA [redacted] was advised by [redacted] that about two years ago, the Air Force began phasing out Thompson submachine guns and both the 30 and 50 caliber machine guns. He said that if there were any such weapons at Lackland, they would be under the control of the weapons maintenance section, U. S. A. F. Marksmanship School.

On 7/14/65, [redacted] Office of Special Investigations, advised that he had been informed by [redacted] USAF Marksmanship School, that the records of their Supply Test and Evaluation Section do not show any machine guns or 45 caliber Thompson submachine guns on their inventory.

On 7/14/65, SA [redacted] checked with [redacted] who stated that they have not stocked Thompson submachine guns for about fifteen years, and they had no shortage.

The following current investigation was conducted by SAs [redacted] and [redacted] at Fort Sam Houston, Texas. The San Antonio indices reflect no record of Western American Protective Police or of M. L. MC ENTYRE.

On 9/1/65, [redacted] Logistics Branch, Headquarters, 4th Army, advised that weapons are ordinarily declared surplus when they are in need of sufficient repair to render their repair uneconomical. In such a case an installation will submit a surplus report, a copy of which is furnished to 4th Army and his office will also be advised by an information copy of each disposition authorized.

SA 100-9977

He said after checking appropriate IBM cards that no Thompson submachine guns have been declared surplus nor has the destruction of any been authorized so far as he could ascertain.

He said that the following 45 caliber machine guns, commonly known as "grease guns", have been declared surplus, but no disposition of them authorized.

In view of the statement attributed to MC ENTYRE to the effect that his group had enlisted a manager who has had six years of experience in demolitions work in the U. S. Army, [redacted] (Control Center), was asked if he could suggest any experienced demolitions man who might have been discharged from Army in the last few months. It is noted that demolitions men are a small, highly specialized group and many are known to each other though stationed at widely separated places.

[redacted] advised that [redacted] [redacted] was bonded out of the Army at Red River Arsenal, Texarkana, Arkansas, about November, 1964. He had

SA 100-9977

had the demolitions basic course in November, 1955, so that he had had some nine years experience.

[ ] said that it was understood by some of the personnel in his office that after [ ] was discharged, he said he was going to Houston to try to get a job with the Houston PD Bomb Squad; however, it was understood that he did not get that job.

[ ] telephonically contacted personnel of the 137th Ordnance Detachment, Red River Army Depot, Texarkana, Texas, and learned that [ ] had come in for a visit to the Detachment about two months ago, had said that he had been in some trouble, and that he was working for a construction company at Ashdown, Arkansas.

Since investigation at San Antonio has been negative as to any potential Thompson submachine guns being available to captioned organization, and information as to [ ] [ ] is of lead value only, no LHM has been prepared.

[redacted] on 9/1/65:

AT TEXARKANA, TEXAS

[redacted] Red River Depot, advised that all orders to destroy small caliber weapons, including .45 caliber sub-machine guns, originates with the Rock Island Arsenal, Rock Island, Illinois. In each instance when weapons of this type are destroyed, a member of the security staff is present, as well as a representative of compliance and the property disposal sections of the depot. From this description, personnel from three different departments are present to see that instructions are carried out and a copy recording this is always on file with the Security Office.

Weapons of this type are kept in a warehouse under armed surveillance at all times and should someone enter the warehouse, the arms are kept in a secure and locked place within this building. [redacted] stated that no .45 caliber machine guns had been authorized to be destroyed or destroyed in the past several months. Since 8/12/65, 156 M-1 rifles, one .50 caliber

W A S P , Inc.

a Christian, Non-Profit Organization Dedicated to the Christian, American Heritage

A great confusion exists today in the minds of many people regarding the Jewish problem in America. The national press is doing everything that it can to cover the truth regarding this situation. In order to stop this confusion, and as a public service to all Americans, W A S P , Inc. has issued the following bulletin which outlines the problem, and clearly defines the organizational position with respect to the problem.

To begin with, we must first understand the word "Jew" before we can understand the problem. The word, Jew, is correctly used only in connection with those who were members of a monotheistic sect which existed in Palestine prior to, and only shortly after the first coming of the Christ, Jesus some two thousand years ago! The modern, world-wide, international cartel which uses the name, "Jew", attempts to cloak itself in the garb of this ancient, long dead, theological system, but those who are affiliated with this modern cartel are completely materialistic and deny the true, Spiritual principles upon which the worship of God must be based, in accordance with the First Commandment.

The foundation of Christianity lies in the ancient Hebrew Law and the Teachings of its Prophets. That Law and Teachings actually and clearly foretold and accurately described the coming of the Christ, thereby binding all true Jews to Christ when he appeared. From this it is very simple to see that, in the true religious sense, there is no such thing today as a real Jew. A person who rejects Christ cannot claim to be a true Jew, because in rejecting Christ, he thereby rejects his own teachings in over 300 instances; the 55th Chapter of Isaiah being only one of many clear-cut examples.

The condition of the Temple business during the First Ministry of the Christ, Jesus was remarkably similar to that which exists today in most of the ornate palaces we call "churches". Then, as today, the religion business had become so professional in nature, and had come so completely under the control of a well-established hierarchy, that no one except the completely innocent and those with a vested interest in the Temple business took it seriously. When Christ refused to collaborate with the professional priesthood and exposed their frauds right and left, they, in order to protect their political machine, were forced to "eliminate" Him, thereby exposing their hypocrisy and atheism to the innocent, true members of their congregations,

After the Crucifixion and Resurrection, the true, sincere Jews repented and became Christians. Since the period immediately following the Original Ministry there have been no true Jews. All true Jews became Christians. Those who did not become Christians were not Jews to begin with, but only materialistic atheists hiding under the cloak of the Temple. The coming of Christ literally separated the sheep from the goats. Under the Ministry of the Christ, Jesus, the real Jew found his Messiah and the fraud "Jew" was exposed. A true Jew could not deny Christ without denying himself, for Christ was the fulfillment of the Ancient Jewish Religion.

turning now to the mongrelized and vicious aggregation of those who call themselves "Jews", and are not, but are of the synagogue of Satan, we approach the heart of our problem. The people who compose this brotherhood of sin are, in general, a curious mixture of East and West, and, like most mongrelized peoples, exhibit the worst characteristics of each and both. The racial background of these people is not primarily Semitic as is commonly advertised, but is made up of lines derived largely from the savage Mongol and Tartar masses which were a constant threat to Western Europe during the Middle Ages. The home area of this unholy band centers in the area between the Caspian and the Black Seas, in the southern part of what is now known as the Soviet Union. They are known as "Khanars" in their own district. Lenin, Stalin, Trotsky, and most of the other Bolshevik leaders sprang from these fanatical people of savage origin, as have most of those who control the large banking and brokerage houses in the U.S. such as Kuhn, Loeb, Warburg, Moyer, etc. Representatives of this Satanic horde have succeeded in gaining control over the money and credit system of the entire world. One of their most capable representatives, Nathan Rothschild, once said: "Let me issue the money and control the credit of a nation, and I care not who writes its laws."

The Supreme Tragedy of modern times is that these people have been permitted to gain financial control over America. The good-natured, Christian tolerance of the Anglo-Saxon American has been exploited into accepting these people as normal members of a Christian Society. Free Enterprise and Private Capitalism have made America great, but the excesses of these vampires have brought her to chaos. Everyone likes to make money, but to the savage Kike, money reacts in the same manner as does alcohol to an alcoholic. He is a fanatic about it. He is ruled by it. He must have more and more to sustain his lust. He has no pride of self respect, no country, no racial identity, not even a hemisphere to which he can be a native, so he must feed his savage ego by exploiting Christians and destroying Christian Civilization. Truly, it can be said that these unfortunate mongrels of East and West are the Children of Satan.

W. A. S. P., Inc. is a truly Christian and Benevolent Organization. We strive to rid criticism and controversy amongst all peoples wherever possible, but we are very strict about our American Nation and our Christian Heritage. W. A. S. P., Inc. takes the position in regard to the people described on the reverse side of this bulletin that they must release their stranglehold on America voluntarily, or be pruned loose forcibly. True Christian, American men are not going to submit to a program of destruction and slavery under the disguise of "tolerance" or "humanitarianism". Self defence is the right of all men under all honorable conditions. As we have clearly shown, these people do not represent a religion. They are sustained only by a Satanic lust, thru the manipulation of international finance, to rule and destroy Christian Civilization. W. A. S. P., Inc. does not intend to persecute these people, neither does it intend to see them rule America. Like the man said a long time ago:

Liberty or Death!

#### Note:

If you are a public spirited citizen of America, we would appreciate it very much if you would pass this bulletin around among your friends or post it on any convenient bulletin board. By so doing you will be rendering a very important service to your country and to Christianity.

Thank you,

W. A. S. P., Inc.

WASP, INC.

Bulletin #64 - 621

Authorized for distribution to the general public by the Board of Governors

In order to combat the forces of Communism which have gained administrative control of the National Government, and to advise and protect the individual, private citizens from an unlawful invasion of his personal and property rights, WASP, INC., a non-profit, Christian Militant Educational Organization has issued the following Bulletin urging all responsible citizens not to cooperate in any way with any agents of the National Government for so long a time as that government shall remain under the control of communist sympathizers such as Lyndon Johnson, Bobby Kennedy, Eisenhower, Nixon, Rusk, Dillon, etc.

WASP, INC. reminds the people first that the Constitution of the United States of America is the Ruler of America. If the Supreme Court does not follow the Constitution - it is not the Supreme Court. If the President does not follow the Constitution - he is not the President. If the Congress does not follow the Constitution - it is not the Congress. This is precisely why the founders gave us a simple, clear written constitution in the first place, so that an honest, ordinary citizen could have a guide to go by which would tell him when to obey and when to fight the officers of the National Government.

The free citizens of America, the Christian, law-loving, hard-working producers have now reached the disobedience stage of resistance to the officers of the National Government. This is the last step before outright, armed resistance to free the nation from dictatorship and restore constitutional government.

The racial agitators and governmental communists have now launched their summer offensive in Mississippi. After failing to be able to generate any large scale street riots due to the quick-thinking, alert Mississippi Law Enforcement Officials and the cooperation of citizens, special deputies and auxiliary police, they have shifted their tactics.

The new technique is the well know persecution hoax. That is, to kill one of their own members, bomb one of their own installations, or arrange a "disappearance" of some of their own agitators. This is now becoming a familiar pattern.

1. The Communists killed their own pet, Kennedy, in Dallas, hoping to blame it on the south. The only trouble was, Oswald got caught. No serious National Police Investigation. Whitewash by Communist, Earl Warren.
2. Greenwood has had numerous shootings and bombings, no serious damage, much propaganda, much harassment of local citizens by National Police. No evidence. No arrests. No prosecution.
3. Communist newspaper in Laurel bombed. No serious damage. Much propaganda. Intensive harassment of local citizens by National Government Police. No evidence. No arrests. No prosecution.
4. Negro agitators homes and businesses in McComb bombed. No one hurt. Much propaganda, intensive harassment of local citizens by National Police. No evidence. No arrests. No prosecution.
5. Civil Rights Agitators "disappear" in Philadelphia. Cheap car burned. No evidence of foul play. Massive propaganda campaign. Lyndon sends Commie spy-master, Dulles, to confer with Paul. Intensive harassment of local citizens by National Police.

The regularity of the pattern can be seen clearly. The communists are deliberately causing sensational trouble in order to have an excuse for National Police Agents to come in, question and harass the local citizens. The agents of the Federal Bureau of Investigation are not seriously interested in solving these cases. They know perfectly well that Bobby Kennedy would not prosecute the Communists responsible even if they were caught red-handed. What the National Police Agents are interested in is compiling dossiers and death lists for future arrests of citizens council, John Birch, A.P.W.R., and members of other patriotic organizations. This is vital information to the communists.

WASP, INC. urges all citizens to refuse to answer any question on any subject whatsoever which is asked by a Federal Police Agent. These men are only tools of the communist politicians in Washington. Any information that you give them will be placed in a file for future reference and used against you or one of your neighbors at a later date on a matter totally unrelated to the present incident. Do not talk! Do not cooperate! If these National Police were sincere Americans they would insist that something be done about the treason in Washington, rather than the communist directed incidents in Mississippi.

The proper answer to any question as a police, "No comment". Keep this bulletin with you. Show it to your friends. Advise them of their rights and the danger involved in answering questions. When patriotic American Citizens once again occupy the offices of the National Government it will then be time enough for the honest citizens to resume the spirit of cooperation with the National Police.

Use this bulletin as your reference for refusing to cooperate. The Directors of WASP, INC. have prepared it for the private citizen as a public service. Refer to: WASP, INC. Bulletin #64-621.

APPENDIX

WHITE KNIGHTS OF THE  
KU KLUX KLAN OF MISSISSIPPI

A source advised that on February 15, 1964, approximately 200 members of the Original Knights of the Ku Klux Klan (OKKKK) from the State of Mississippi met at Brookhaven, Mississippi. Those present decided to defect from the OKKKK and to form their own klan group in Mississippi to be known as the White Knights of the Ku Klux Klan of Mississippi.

This source advised that the aims and purposes of the White Knights of the Ku Klux Klan of Mississippi are to preserve Christian civilization, protect and promote white supremacy and the segregation of the races, to fight communism and to extend the dignity, heritage and rights of the white race of America.

AT TEXARKANA, TEXAS

On 9/16/65, [redacted], [redacted]  
[redacted] Red River Army Depot, was interviewed concerning  
[redacted] formerly an enlisted man in this detachment.  
He stated that [redacted] had been given an undesirable dis-  
charge about November, 1964, due to excessive drinking,  
drinking while on duty, driving while intoxicated, and general  
unreliability as a security risk. [redacted] stated that [redacted]  
had visited the Enlisted Men's Club on the Post a couple of  
times since his discharge, probably as the guest of one of the  
enlisted men. He understood that [redacted] was working for a construc-  
tion company out of Little Rock or somewhere in Arkansas as a  
heavy equipment operator. [redacted] stated [redacted] was  
capable of handling such equipment and was also a demolition  
expert. He had been trained in the field of demolition at  
various Army installations and was capable of constructing an  
explosive device to operate on time detonation if necessary.

[redacted] had no information that [redacted] had ever  
been a member of or sympathetic to any extremist hate group such  
as the Ku Klux Klan. Morally, [redacted] felt that [redacted]  
might be capable of an act of violence in the use of explosives  
should conditions and inducement be present. He had heard that

Re St. Louis letter to Bureau dated 10/5/65.

On 10/15/65, a review of Veterans' Administration file C-22356459 of [redacted] Army Serial Number [redacted] was conducted by SA [redacted] at the Veterans' Administration Center, White River Junction, Vt.

This file revealed that an administrative review of [redacted] record had been conducted on 7/28/65, concerning the character of [redacted] discharge from the Army. This review reflected that [redacted] had service in the Army from January 26, 1961, to November 25, 1964, and that he had an earlier period of service from May 9, 1955, until May 8, 1958. [redacted] was honorably released from service during the first period of his Army service and they concluded that this could therefore independently serve as the basis for awarding of any benefits administered by the Veterans' Administration to which [redacted] might otherwise be held entitled. The file reflected that the veteran was issued an undesirable discharge for his service for the period from January 26, 1961 to November 25, 1964. This discharge was issued after a hearing by a board of officers from which a determination of unfitness was made and a recommendation of an undesirable discharge submitted.

DETAILS:

This investigation was instituted to determine  
if M. L. MC ENTYRE was attempting to organize a group called  
Western American Protective Police in Houston, Tex., area.

Informant furnished the following physical description of MC ENTYRE:

-5-

HO 100-10177

On August 27, 1965, [redacted] stated he was acquainted with M. L. MC ENTYRE of 7529 Meadowview, Houston, Tex. [redacted] indicated MC ENTYRE had told him very recently there were firearms stored in the St. John's Baptist Church, a Negro church located on Dowling St. in Houston. MC ENTYRE claimed this information had come to him from an air conditioning service man whose name he would not reveal. When [redacted] suggested that this information should be turned over to the Federal Bureau of Investigation, MC ENTYRE stated he would contact his informant and advise him that the

HO 100-10177

Federal Bureau of Investigation would be interested in this matter but that he would recommend to this man that he not contact the Federal Bureau of Investigation.

[ ] further stated MC ENTYRE claimed he belonged to an organization, not the "Minute Men," the purpose of which is to fight communism.

[ ] expressed the opinion that MC ENTYRE is probably a radical individual who is an opportunist and may be making a living by soliciting contributions to the organization with which he claims to be connected.

On August 30, 1965, [ ]

[ ] United States Army, Houston, Tex., advised on the basis of the limited description available concerning the automatic weapons mentioned above, it would appear these weapons might be obsolete United States Army weapons. [ ] stated before such weapons can normally be destroyed by an Ordnance Depot is is necessary to obtain clearance for such action from the headquarters of the Fourth United States Army, Fort Sam Houston, Texas. [ ] stated he would attempt to arrange for his office to be advised of any requests received by the Fourth Army for authority to destroy such weapons.

[ ] stated his office had made a preliminary survey and had determined the Red River Arsenal, Texarkana, Tex., was the only arsenal located within three hundred miles of Houston which was authorized to destroy weapons in quantities such as one hundred or more at a time. He stated that other military units are permitted to destroy one or two weapons at a time when these become faulty but quantity destruction is accomplished only at the Red River Arsenal.

AT SAN ANTONIO, TEX.

The San Antonio Division advised as follows on September 2, 1965.

HO 100-10177

On July 14, 1965, [redacted]

[redacted] Kelly Air Force Base, advised SA [redacted] that there are no Thompson machine guns on Kelly Air Force Base and that there has been no report of any such weapons being missing at Kelly Air Force Base.

On July 14, 1965, [redacted]

[redacted] and [redacted] Post G-4, Fort Sam Houston, advised SA [redacted] that there are very few Thompson machine guns in use by the United States Army at the present time. Neither had heard of any being missing. [redacted] said that he knew of only one sub-machine gun having been in for repair in the last several years.

On July 14, 1965, [redacted]

[redacted] Fort Sam Houston, Material Management Branch, advised that there is only one .45 caliber machine gun on the inventory of Fort Sam Houston at this time. She had not heard of any being reported missing.

On July 14, 1965, [redacted]

[redacted] Headquarters, Fourth United States Army, which covers the states of Texas, New Mexico, Oklahoma, Arkansas, and Louisiana, advised that all reports of missing machine guns come across his desk. He said that he had not seen any reports for many months of any machine guns being missing. He also said that the older calibers of weapons formerly in use have been replaced by newer weapons.

On July 14, 1965, [redacted]

[redacted]  
[redacted]  
[redacted]  
[redacted] advised that they had not received any reports of missing machine guns.

HO 100-10177

On July 14, 1965, [redacted]

and [redacted]

[redacted] Fort Sam Houston, advised that they had not received any reports of missing machine guns.

On July 14, 1965, SA [redacted] was advised by [redacted] 3700th Air Police, Lackland Air Force Base, that about two years ago, the Air Force began passing out Thompson submachine guns and both the .30 and .50 caliber machine guns. He said that if there were any such weapons at Lackland, they would be under the control of the Weapons Maintenance Section, United States Air Force Marksmanship School.

On July 14, 1965, [redacted] Office of Special Investigations, advised that he had been informed by [redacted] United States Air Force Marksmanship School, that the records of their Supply Test and Evaluation Section do not show any machine guns or .45 caliber Thompson submachine guns on their inventory.

On July 14, 1965, SA [redacted] checked with [redacted] Fort Hood, Tex., who stated that they have not stocked Thompson submachine guns for about fifteen years, and they had no shortage.

The following current investigation was conducted by SAS [redacted] and [redacted] at Fort Sam Houston, Tex. The San Antonio indices reflect no record of Western American Protective Police or of M. L. MC ENTYRE.

On September 1, 1965, [redacted] Supply Division, Logistics Branch, Headquarters, Fourth Army, advised that weapons are ordinarily declared surplus when they are in need of sufficient repair to render their repair uneconomical. In such a case an installation will submit a surplus report, a copy of which is furnished to Fourth Army and his office will also be advised by an information copy of each disposition authorized.

HO 100-10177

He said after checking appropriate IBM cards that no Thompson submachine guns have been declared surplus nor has the destruction of any been authorized so far as he could ascertain.

He said that the following .45 caliber machine guns, commonly known as "grease guns," have been declared surplus, but no disposition of them authorized:

[redacted] telephonically contacted personnel of the 137th Ordnance Detachment, Red River Army Depot, Texarkana, Tex., and learned that [redacted] had come in for a visit to the Detachment about two months ago, had said that he had been in some trouble, and that he was working for a construction company at Ashdown, Ark.

AT EL PASO, TEX.

The El Paso Division advised as follows on September 13, 1965:

Contacts by SA [redacted] with the following individuals all failed to show any information regarding the Western American Protective Police, M. L. MC ENTYRE, Reverend J. D. BELATE, D.D., or any information indicating any cache of explosives or weapons stored in quantity in the El Paso area:

All of the above advised that they knew of no thefts of arms in any quantity in this area nor had they any reports of such a theft.

HO 100-10177

AT TEXARKANA, TEX.

The following investigation was conducted by  
SA [ ] on September 1, 1965.

[ ]  
advised that all orders to destroy small caliber weapons, including .45 caliber submachine guns, originates with the Rock Island Arsenal, Rock Island, Ill. In each instance when weapons of this type are destroyed, a member of the security staff is present, as well as a representative of compliance and the property disposal sections of the depot. From this description, personnel from three different departments are present to see that instructions are carried out and a copy recording this is always on file with the Security Office.

Weapons of this type are kept in a warehouse under armed surveillance at all times and should someone enter the warehouse, the arms are kept in a secure and locked place within this building. [ ] stated that no .45 caliber machine guns had been authorized to be destroyed or destroyed in the past several months. Since August 12, 1965, 156 M-1 rifles, one .50 caliber machine gun, and ten 1903A3 rifles have been destroyed. No Thompson machine guns had been destroyed in the past three months.

Contact was made with [ ]  
[ ] General Supply and Storage Division, also. He, likewise, confirmed that no .45 caliber Thompson machine gun had been destroyed in the past several months, and none in large numbers. The number destroyed will usually be only one or two guns.

[ ] and [ ] advised they would notify the FBI should they receive any orders to destroy a large number of Thompson submachine guns and would take particular care to see that none of the parts were serviceable upon destruction.

None of the parties contacted had ever heard of the Western American Protective Police Association or M. L. MC ENTYRE.

HO 100-10177

AT JACKSON, MISS.

The New Orleans Division advised on September 17, 1965, that on July 3, 1964, [redacted]

[redacted] Capitol Building, Jackson, Miss., advised SA [redacted] that there was no record on file in that office for WASP, Inc. and that no record was on file of a charter being issued to WASP, Inc., and there were no applications for a charter pending.

On July 8, 1965, confidential informant [redacted] advised a new organization had been formed known as "WASPS." This stands for White Anglo-Saxon Protestant Society. There is to be no money involved in the operation of this group and it is to be completely underground. They are to take three to five men from each group (referring to klan groups) and their activities will be handled completely by "WASPS."

On August 31, 1964, [redacted] advised that a state meeting of the White Knights of The Ku Klux Klan of Mississippi was held on August 30, 1964, and during this meeting two separate printed "throwaways" each bearing the heading of WASP, Inc., were distributed. These throwaways were as follows:

"W A S P, Inc.

"A Christian, Non-Profit Organization Dedicated to the Christian, American Heritage

"A great confusion exists today in the minds of many people regarding the Jewish problem in America. The national press is doing everything that it can to cover the truth regarding this situation. In order to stop this confusion, and as a public service to all Americans, W A S P, Inc. has issued the following bulletin which outlines the problem, and clearly defines the organizational position with respect to the problem.

b2  
b6  
b7C  
b7D

"To begin with, we must first understand the word 'Jew' before we can understand the problem. The word, Jew, is correctly used only in connection with those who were members of a monotheistic sect which existed in Palestine prior to, and only shortly after the first coming of the Christ, Jesus some two thousand years ago. The modern, world-wide, international cartel which uses the name, 'Jew,' attempts to cloak itself in the garb of this ancient, long dead, theological system, but those who are affiliated with this modern cartel are completely materialistic and deny the true, Spiritual principles upon which the worship of God must be based, in accordance with the First Commandment.

"The foundation of Christianity lies in the ancient Hebrew Law and the Teachings of its Prophets. That Law and Teachings actually and clearly foretold and accurately described the coming of the Christ, thereby binding all true Jews to Christ when he appeared. From this it is very simple to see that, in the true religious sense, there is no such thing today as a real Jew. A person who rejects Christ cannot claim to be a true Jew, because in rejecting Christ, he thereby rejects his own teachings in over 300 instances; the 53 Chapter of Isaiah being only one of many clear-cut examples.

"The condition of the Temple business during the First Ministry of the Christ, Jesus was remarkably similar to that which exists today in most of the ornate palaces we call 'churches.' Then, as today, the religion business had become so professional in nature, and had come so completely under the control of a well-established hierarchy, that no one except the completely innocent and those with a vested interest in the Temple business took it seriously. When Christ refused to collaborate with the professional priesthood and exposed their frauds right and left, they, in order to protect their political machine, were forced to 'eliminate' Him,

"thereby exposing their hypocrisy and atheism to the innocent, true members of their congregations.

"After the Crucifixion and Ressurrection, the true, sincere Jews repented and became Christians. Since the period immediately following the Original Ministry there have been no true Jews. All true Jews became Christians. Those who did not become Christians were not Jews to begin with, but only materialistic atheists hiding under the cloak of the Temple. The coming of Christ literally separated the sheep from the goats. Under the Ministry of the Christ, Jesus, the real Jew found his Messiah and the fraud 'Jew' was exposed. A true Jew could not deny Christ without denying himself, for Christ was the fulfillment of the Ancient Jewish Religion.

"Turning now to the mongrelized and vicious aggregation of those who call themselves 'Jews,' and are not, but are of the synagogue of Satan, we approach the heart of our problem. The people who compose this brotherhood of sin are, in general, a curious admixture of East and West, and, like most mongrelized peoples, exhibit the worst characteristics of each and both. The racial background of these peoples is not primarily Semetic as is commonly advertised, but is made up of lines derived largely from the savage Mongol and Tartar masses which were a constant threat to Western Europe during the Middle Ages. The home area of this unholy band centers in the area between the Caspian and the Black Seas, in the southern part of what is now known as the Soviet Union. They are known as 'Khazars' in their own district. Lenin, Stalin, Trotsky, and most of the other Bolshevik leaders sprang from these fanatical people of savage origin, as have most of those who control the large banking

"and brokerage houses in the U.S. such as Kuhn, Loeb, Warburg, Meyer, etc. Representatives of this Satanic Horde have succeeded in gaining control over the money and credit system of the entire world. One of their most capable representatives, Nathan Rothschild, once said: 'Let me issue the money and control the credit of a nation, and I care not who writes its Laws.'

"The Supreme Tragedy of modern times is that these people have been permitted to gain financial control over America. The good-natured, Christian tolerance of the Anglo-Saxon American has been exploited into accepting these people as normal members of a Christian Society. Free Enterprise and Private Capitalism have made America great, but the excesses of these vampires have brought her to chaos. Everyone likes to make money, but to the savage Kike, money reacts in the same manner as does alcohol to an Alcoholic. He is a fanatic about it. He is ruled by it. He must have more and more of it to sustain his lust. He has no pride of self respect, no country, no racial identity, not even a hemisphere to which he can be a native, so he must feed his savage ego by exploiting Christians and destroying Christian Civilization. Truly, it can be said that these unfortunate men of East and West are the Children of Satan.

"W A S P, Inc. is a truly Christian and Benevolent Organization. We strive to (illegible) criticism and controversy among all peoples wherever possible, but we are very strict about our American Nation and our Christian Heritage. W A S P, Inc. takes the position in regard to the people described on the revers side of this bulletin that they must release their stranglehold on America voluntarily, or be pried loose forcibly. True Christian, American men are not going to submit to a program of destruction and slavery under the disguise of 'tolerance' or 'humanitarianism.' Self defense is the right of all men under all honorable conditions.

HO 100-10177

"As we have clearly shown, these people do not represent a releigion. They are sustained only by a Satanic lust, thru the manipulation of international finance, to rule and destroy Christian Civilization. W A S P, Inc. does not intend to persecute these people, neither does it intend to see them rule America. Like the man said a long time ago: Liberty or Death!

"Note:

"If you are a public spirited citizen of America, we would appreciate it very much if you would pass this bulletin around among your friends or post it on any convenient bulletin board. By so doing you will be rendering a very important service to your country and to Christianity.

"Thank you,

"W A S P, Inc."

"WASP, INC

"Bulletin #64- 621

"Authorized for distribution to the general public by the Board of Governors

"In order to combat the forces of Communism which have gained administrative control of the National Government, and to advise and protect the individual, private citizens from an unlawful invasion of his personal and property rights, WASP, INC., a non-profit, Christian Militant Educational Organization has issued the following

"Bulletin urging all responsible citizens not to co-operate in any way with any agents of the National Government for so long a time as that government shall remain under the control of communist sympathizers such as Lyndon Johnson, Bobby Kennedy, Eisenhower, Nixon, Rusk, Dillon, etc.

"WASP, INC. reminds the people first that the Constitution of the United States of America is the Ruler of America. If the Supreme Court does not follow the Constitution - it is not the Supreme Court. If the President does not follow the Constitution - he is not the President. If the Congress does not follow the Constitution - it is not the Congress. This is precisely why the founders gave us a simple, clear written constitution in the first place, so that an honest, ordinary citizen could have a guide to go by which would tell him when to obey and when to fight the officers of the National Government.

"The free citizens of America, the Christian, law-loving, hard-working producers have now reached the disobedience stage of resistance to the officers of the National Government. This is the last step before outright, armed resistance to free the nation from dictatorship and restore constitutional government.

"The racial agitators and governmental communists have now launched their summer offensive in Mississippi. After failing to be able to generate any large scale street riots due to the quick-thinking, alert Mississippi Law Enforcement Officials and the cooperation of citizens, special deputies and auxiliary police, they have shifted their tactics.

"The new technique is the well know persecution hoax. That is, to kill one of their own members, bomb one of their own installations, or arrange a 'disappearance' of some of their own agitators. This is now becoming a familiar pattern.

- "1. The Communists killed their own pet, Kennedy, in Dallas, hoping to blame it on the south. The only trouble was, Oswald got caught. No serious National Police Investigation. Whitewash by Communist, Earl Warren.
- "2. Greenwood has had numerous shootings and bombings, no serious damage, must propaganda. Intensive harrasment of local citizens by National Police. No evidence. No arrests. No prosecution.
- "3. Communist newspaper in Laurel bombed. No serious damage. Much propaganda. Intensive harrasment of local citizens by National Government Police. No evidence. No arrests. No prosecution.
- "4. Negro agitators homes and businesses in McComb bombed. No one hurt. Much propaganda, intensive harrasment of local citizens by National Police. No evidence. No arrests. No prosecution.
- "5. Civil Rights Agitators 'disappear' in Philadelphia. Cheap car burned. No evidence of foul play. Massive propaganda campaign. Lyndon sends Commie spy-master, Dulles, to confer with Paul. Intensive harrasment of local citizens by National Police.

"The regularity of the pattern can be seen clearly. The communists are deliberately causing sensational trouble in order to have an excuse for National Police Agents to come in, question

"and harrass the local citizens. The agents of the Federal Bureau of Intervention are not seriously interested in solving these cases. They know perfectly well that Bobby Kennedy would not prosecute the Communists responsible even if they were caught red-handed. What the National Police Agents are interested in is compiling Dossiers and death lists for future arrests of citizens council, John Birch, A.P.W.R. and members of other patriotic organizations. This is vital information to the communists.

"WASP, INC. urges all citizens to refuse to answer any question on any subject whatsoever which is asked by a Federal Police Agent. These men are only tools of the communist politicians in Washington. Any information that you give them will be placed in a file for future reference and used against you or one of your neighbors at a later date on a matter totally unrelated to the present incident. Do not talk! Do not cooperate! If these National Police were sincere Americans they would insist that something be done about the treason in Washington, rather than the Communist directed incidents in Mississippi.

"The proper answer to any question is a polite, 'No comment.' Keep this bulletin with you. Show it to your friends. Advise them of their rights and the danger involved in answering questions. When patriotic American Citizens once again occupy the offices of the National Government it will then be time enough for the honest citizens to resume the spirit of cooperation with the National Police.

H0 100-10177

"Use this bulletin as your reference for refusing to cooperate. The Directors of WASP, INC. have prepared it for the private citizen as a public service. Refer to: WASP, INC. Bulletin #64-621."

HO 100-10177

AT HOUSTON, TEX.

On September 3, 1965, [redacted], Veterans Administration Hospital, advised his files did not reflect that M. L. MC ENTYRE had ever received or applied for any treatment at the institution.

On September 9, 1965, [redacted], Auto Dealers Section, Houston Police Department, advised his records reflect that MACKS LAWRENCE MC ENTYRE applied for a motor vehicle salesman's license on November 25, 1955, at which time he listed his residence as 7529 Meadowview, Houston, and his employment as Burkett Motor Co., 1617 San Jacinto, Houston.

He stated this application reflects that MC ENTYRE claimed that for the prior thirteen years he was the owner of the "Gas Electric Engineering Company," 7529 Meadowview, and that he gave it up as "business too bad."

[redacted] stated that on December 1, 1960, MACKS LAWRENCE MC ENTYRE, 7529 Meadowview, Houston, re-applied for an auto salesman's license and his application reflects he had been employed by Burkett Motors for the past five years. He stated MC ENTYRE has no arrest record with the Houston Police Department. He stated his files did not contain any application for salesman's license for MC ENTYRE since 1960 and stated that the licenses are issued on a yearly basis and so MC ENTYRE would not have properly been selling automobiles in Houston since 1962.

He stated his records described MC ENTYRE as a white male, born April 14, 1914, 5'7", 150 lbs., brown hair, grey eyes, Social Security No. [redacted] parents - deceased.

HO 100-10177

On September 9, 1965, Detective [redacted] Auto Theft Division, Houston Police Department, advised he had determined that Texas driver's license 524 484 was issued to MACKS LAWRENCE MC ENTYRE, 7529 Meadowview, Houston, Tex., which license expires December 30, 1965, and which license describes him as a white male, born April 14, 1900, 5'7", 150 lbs., brown hair, grey eyes.

On September 9, 1965, [redacted] Interviewer, Credit Bureau of Greater Houston, advised a credit file was opened March 27, 1950, on MACKS L. MC ENTYRE, [redacted] at which time they resided at 411 West 18th St., Houston, and the report reflects he had been employed as a serviceman for Sands Heater Co. since December, 1949.

She stated her file reflects he was 34 years of age in 1954 and the credit report prepared that year reflects he was married [redacted]  
[redacted]

She stated at that time in 1954 his record contained several delinquent credit accounts.

She stated his file reflects the following addresses for MC ENTYRE:

2929 Gordon St., Houston (1951)

Route 10, Box 847-A, Houston (1953)

6108 Mt. Houston Road, Houston (February 3, 1954)

7529 Meadowview, Houston, since 1954.

She stated his file contains a collection item dated May 16, 1958, and no entries are recorded in his file since that date.

HO 100-10177

She stated her file reflects he left Houston in August, 1963, and moved to Boulder, Colo., and stated that as of October 23, 1963, he resided at 1000 - 28th St., Boulder, Colo., and is employed as an automobile mechanic.

She stated his credit record reflects he has a poor credit standing.

On September 13, 1965, [redacted] Burkett Motor Co., 1617 San Jacinto, advised that MACKS LAWRENCE MC ENTYRE, 7529 Meadowview, telephone HI 7-3716, started work with them as a car salesman on November 1, 1955, and worked for a period and left the company and then returned to their employment on August 25, 1957, and worked until February 15, 1958, when he terminated his employment.

He stated his files reflect MC ENTYRE was born April 14, 1917, at Ozark, Ala., and has Social Security No. [redacted]. He stated his files further reflect he claimed to have prior employment as a serviceman for the Houston Installation Service and that prior to that employment he worked in heating and air conditioning construction in Houston.

He stated that MC ENTYRE comes to Burkett Motors quite regularly to visit with him and other employees. He stated that he has recently seen MC ENTYRE and would say that MC ENTYRE comes by around once a month.

He stated he does not know whether MC ENTYRE is currently employed but does not believe he is and stated he believes that [redacted] is working and stated she

HO 100-10177

[REDACTED]

He stated MC ENTYRE has several fingers missing on one hand and has a "bad eye." He stated from what MC ENTYRE has said he apparently has been a lay preacher and MC ENTYRE continually talks about politics. He stated MC ENTYRE's political views appear to be "right wing" but he has never heard him make any statements which would indicate he was interested in taking any violent measures to change the political structure of the Government.

He stated he has never really listened to MC ENTYRE as he considers him to be a little "unbalanced," at least as far as his political statements are concerned, but stated MC ENTYRE has never approached him or anyone else to his knowledge about joining any organization of a political nature.

He stated that MC ENTYRE [REDACTED]

Reurep 12/14/65.

M. L. McEntyre should be interviewed concerning captioned organization and his connection with Minutemen. It is noted that your investigation does not substantiate that there is, in fact, an organization known as Western American Security Police. The possibility exists that McEntyre is either bragging to impress his listeners or is attempting to obtain money from them. In view of the fact that he may be mentally unbalanced and is alleged to be armed, caution should be used in approaching him for this interview.

Local authorities should be advised of McEntyre's alleged activities and should be furnished available background information concerning him.

Re report of SA [redacted], Houston,  
dated 12/14/65.

[redacted], Red River  
Army Depot, Texarkana, Texas, advised SA [redacted] on  
1/3/66 that he had checked for an employee working at the  
Depot under the name of TRIMBLE and all possible variations  
of the spelling of the name. He was able to locate one  
employee, WILLIE TRIMBLE, who works in the maintenance  
section of the Depot and has no contact or association with  
that area handling small arms. In addition, TRIMBLE is a  
Negro male, 65 years of age, and resides in the State of  
Arkansas.

In view of the nature of this case and the  
hostility of the parties involved toward Negroes, plus  
the age of the employee and character of his work, no  
further inquiry is being made concerning WILLIE TRIMBLE.

## FEDERAL BUREAU OF INVESTIGATION

Date 2/7/66

MACKS LAWRENCE McENTYRE, 7529 Meadowview, was interviewed at his residence and furnished the following information:

McENTYRE was advised information had been received that he allegedly knew of stores of arms somewhere on Dowling Street in Houston and that he had made statements to the effect that such arms were being stored by Negro citizens in Houston for possible use in a future racial riot. He was also advised that information had been received that he was a member of the "Minutemen" organization. McENTYRE was apprised of the investigative jurisdiction of the FBI and was requested to furnish any information in his possession concerning any stores of arms or any activities of the "Minutemen."

McENTYRE categorically denied any knowledge of arms being stored on Dowling Street or elsewhere and stated he had never made any remark to anyone to the effect that he knew of any such arms. He also categorically denied he had ever been a member of the "Minutemen" but stated he had studied this organization through published articles and it was his understanding the "Minutemen" had no plans to overthrow the United States Government but that they were preparing to "get ready for the communists."

b6  
b7c

McENTYRE commented that he had been active for years in "fighting communists." He was asked to identify any Communist Party member known to him as such and to furnish any information in his possession concerning actual communist activities in the Houston area or elsewhere. McENTYRE replied that he was unable to identify any Communist Party member and that he had no personal knowledge of any communist activities but that he believed the Council on Foreign Relations to be "our real government."

It was pointed out to McENTYRE that a number of letters had been written to Houston newspapers signed by a person using the name Reverend J. D. BELATE and the address

On 1/28/66 at Houston, Texas File # HO 100-10177  
by SA [redacted] Date dictated 2/4/66

HO 100-10177

7529 Meadowview, Houston, Texas. McENTYRE was asked whether such a person resided at his address.

McENTYRE replied that Reverend J. D. BELATE was an old friend whom he had known for ten years who was a "Doctor of Divinity" and had formerly been minister of several churches. He stated he had given Reverend BELATE permission to receive mail at his residence and BELATE came by his residence frequently to pick up his mail. McENTYRE stated BELATE was believed to reside in a small hotel on San Jacinto Street and in recent years he has been self-employed selling floor polishes and floor waxes on a house-to-house basis. McENTYRE was unable to furnish any explanation why such a person would find it necessary to use McENTYRE's residence as a mailing address. He was asked to furnish the identity of any other person or persons who might know BELATE, and after some reflection he stated although BELATE was a close friend of several years standing he knew of no other human being who was acquainted with BELATE. McENTYRE was requested to furnish a physical description of Reverend J. D. BELATE, and he furnished the following description:

Name	Reverend J. D. BELATE
Race	White
Sex	Male
Age	55 - 57
Height	5'8"
Weight	150 pounds
Complexion	Ruddy
Hair	Almost bald
Automobile	Drives 1960 Dodge

It was pointed out to McENTYRE that this description was very close to his own description but he stated emphatically that he was not identical with BELATE.

McENTYRE was questioned concerning two automobiles normally present at his residence, being a gray Plymouth bearing 1965 Texas License MXC 313, and a white 1952 Dodge bearing License MXC 312. He stated both of these automobiles belong to him. Upon further questioning, he stated the Plymouth

HO 100-10177

was registered under the name [redacted] but that he had purchased this automobile and had merely failed to have the registration transferred. He also acknowledged the 1952 Dodge belonged to one [redacted]. He stated [redacted] is in the insurance business and recently moved to Tennessee after having served as pastor of several Baptist churches. McENTYRE stated this automobile was about to be repossessed and McENTYRE agreed to "save it for him" by taking up \$40 per month payments at the South Main State Bank.

After further questioning, McENTYRE finally admitted he had joined the "Minutemen" about a year ago, and mailed this organization a check for \$5 which was returned to him with the request that he mail \$5 in cash, which he did. He stated he paid monthly dues of \$2 for three months but then saw no reason for sending in this money and has not considered himself a member of this organization for at least nine months. He stated he continues to receive the monthly publications of the "Minutemen" but no longer receives their study material.

When questioned concerning any knowledge of the Ku Klux Klan, McENTYRE stated a young man tried to get him to join the Klan several months ago but he did not do so. He stated he would not identify this man but did say that this man had been called to Washington, D.C., to testify before the Houston Committee on Un-American Activities. McENTYRE was advised newspaper accounts had identified [redacted] as the only Houston Klan member to appear before this committee and he acknowledged he had been approached by [redacted]. McENTYRE claimed he told [redacted] he did not believe in any organization trying to take the law into its hands and he had no fear that Negroes were going to try to take over this country.

McENTYRE stated he did not know the identity of any other present or former member of the "Minutemen" and he had never been in personal contact with any other member. He stated correspondence with the "Minutemen" requested him to clip and send in articles to the headquarters concerning any individuals identified as liberals and he declined to do

HO 100-10177

this because he felt this was too much like "Nazism."

McENTYRE was questioned as to whether he was presently or formerly associated with any other organization similar to "Minutemen" and he denied that he was a member of any other organization of a political nature, commenting that he had formerly been a member of certain fraternal clubs such as Fraternal Order of Eagles.

It is noted  
McENTYRE made a categorical denial that he was a member  
of any organizations other than the "Minutemen."

A review of this case discloses McENTYRE talks  
freely with various individuals about various alleged  
organizations with which he is involved although investi-

On March 9, 1966, [redacted] Identification Division, Houston, Texas, Police Department, and [redacted] Identification Division, Harris County Sheriff's Office, advised they could locate no record identifiable with [redacted]

The 1965 Houston, Texas, City Directory contains no listing for the name [redacted].

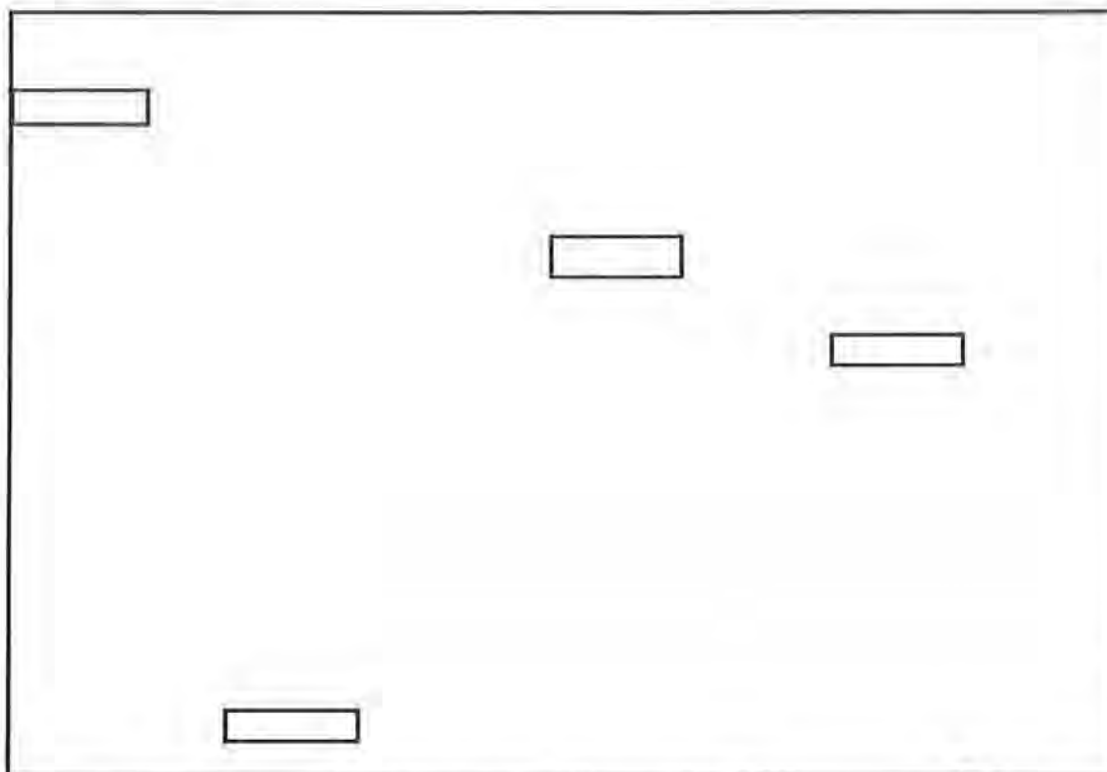

The December, 1965, Houston Telephone Directory contains a listing for [redacted] at [redacted] with telephone number [redacted]. It is noted this address is also in the general area of the residence of H. L. [redacted].

On March 9, 1966, [redacted] mentioned above, advised that agency has maintained a record since 1959 concerning [redacted] and [redacted] residing at [redacted]. [redacted] was born in [redacted] and [redacted]

In January, 1963, a Houston bank charged a loan of \$100.00 to [redacted] to Profit and Loss after it was unpaid. There was no additional background information in this credit file.

On March 9, 1966, [redacted] Identification Division, Houston, Texas, Police Department, and [redacted] Identification Division, Harris County Sheriff's Office, advised they could locate no arrest records in their files identifiable with [redacted]

HO 100-20177

On March 16, 1966, Patrolman [redacted] advised he is employed by the Houston Police Department and has resided next door to McINTYRE for about seven years. [redacted] stated up to about two years ago, McINTYRE had been "very radical on religion" and claimed to be some kind of a minister. [redacted] stated he was aware that McINTYRE passed out considerable "right wing literature" and that McINTYRE once claimed he heard there were a number of guns at a Negro church on Dowling Street. [redacted] stated McINTYRE has one son residing in Colorado and his wife is employed by the Weingarten Grocery Chain.

About three months previously, McINTYRE and his family made a trip to Florida and [redacted] picked up their mail in the mail box. He noticed a number of letters addressed to a Reverend BELATE, but McINTYRE indicated there was no such person and he sometimes used that name.

[ ] stated subject had not been employed for a long time and [ ] apparently supports him. McINTYRE has claimed to be regional director of some type of organization, and told [ ] if this group ever got organized they would put themselves at the disposal of the Police Department in case there should ever be a riot. McINTYRE also has claimed he made trips to Dallas to see [ ] [ ]. On one occasion McINTYRE told [ ] he knew a man who could obtain weapons from a government armory. McINTYRE stated, however, that he had "put money in this man's hand" and the man backed down and never obtained any weapons.

[ ] stated he has always considered McINTYRE to be an "old ball" and he seriously doubts that McINTYRE is actually connected with any actual organization. [ ] stated he would report any information coming to his attention which indicated McINTYRE might be engaged in activities against the interest of the United States or that he might be dealing in any type of weapons.

INFORMATION CONCERNING  
(INTERNAL SECURITY)

[REDACTED]

On May 2, 1967, this gun shop was located on the basis of information furnished by the above source. It was observed to bear the name B&L Arms Company and is located in a modern building at 925 East Shaw Street in Pasadena. A note in the door of this store at 9:00 AM identified [REDACTED] [REDACTED], telephone [REDACTED]

Observation of the display windows at this store revealed one window contained a 20mm machinegun and ammunition. This machinegun was a German manufacture and was mounted on a tripod. Naturally, it could not be determined by observation whether or not this weapon was capable of firing in a fully automatic manner. Also in this display window was a long belt of 50 caliber machinegun ammunition, several mortars, and grenades, and other military-type equipment.

The windows of this store also carried printed notices announcing that one [REDACTED] identified as a former executive officer to FBI Director J. EDGAR HOOVER, was scheduled to make a talk in Houston on May 18, 1967.

At 9:12 AM, a man was observed to park near the above gun shop, unlock the front door and enter. This man was observed to be a white male, approximately 30 years of age, 5'10", 155 pounds, with short dark hair. He was believed to be driving a 1965 blue Chevrolet sedan bearing 1967 Texas License MYY 376.

Re: ACQUISITION OF WEAPONS AND EXPLOSIVES  
BY KLAN AND HATE-TYPE GROUPS

previous date using equipment of the 546th Ordnance Detachment, Fort Sam Houston, Texas. He stated this device had been extremely well made and the fittings on each end appeared to have been turned out by a competent machinist. He stated the sealant material previously mentioned around the ends was probably epoxy glue inasmuch as it had required extremely high force to unscrew the cap from the upper end.

[redacted] further stated there was a common blasting cap inside the top cap and the fuse had been stuck in the blasting cap and taped in place with rubber tape. The remainder of the grenade shell was filled with an explosive which [redacted] described as flaked TNT. He stated examination of the TNT disclosed it was very fresh, having retained its original color, indicating that it was of recent manufacture. [redacted] pointed out TNT is normally not available in any gun shop or other civilian outlet and it was almost surely stolen or otherwise obtained from some military base where TNT might be stored. [redacted] indicated inasmuch as the blasting cap was not crimped around the fuse, he would estimate that if such devices were shaken around very much, there would be a good chance the end of the fuse would lose contact with the blasting cap and possibly 50 per cent of such devices would fail to explode. [redacted] stated these devices would have to be considered extremely dangerous and would probably be capable of killing persons at a distance of two hundred to three hundred feet if detonated in an open area.

On May 23, 1967, a summary of the above information was made available to [redacted] Harris County Sheriff's Office, Houston, Texas.

On May 16, 1967, and May 23, 1967, the above information was also made available to [redacted] Criminal Intelligence Division, Houston, Texas, Police Department.

UNITED KLANS OF AMERICA, INC.,  
KNIGHTS OF THE KU KLUX KLAN (UKA)

Records of Superior Court of Fulton County, Georgia, reflect that this Klan organization was granted a corporate charter on February 21, 1961, at Atlanta, Georgia, under the name United Klans, Knights of the Ku Klux Klan of America, Inc.

b6  
b7c

A source advised on February 27, 1961, that United Klans was formed as a result of a split in U. S. Klans, Knights of the Ku Klux Klan, Inc. According to the source, the split resulted from a leadership dispute and United Klans has the same aims and objectives as the parent group. These are the promotion of Americanism, white supremacy, and segregation of the races.

The first source and a second source advised in July, 1961, that United Klans, Knights of the Ku Klux Klan of America, Inc., merged with Alabama Knights, Knights of the Ku Klux Klan. The merged organization established headquarters in Suite 401, Alston Building, Tuscaloosa, Alabama. (The organization is [redacted] and is the dominant Klan group in the South, with units in several southern states.)

Second source advised that at a meeting in Prattville, Alabama, on October 22, 1961, the U. S. Klans, Knights of the Ku Klux Klan, merged with the United Klans of America, Inc., Knights of the Ku Klux Klan.

Third source advised on May 25, 1966, that the UKA is currently an active organization, with Klaverns in several states. This source stated that [redacted] is the [redacted] of this organization and was elected to this position on September 5, 1964, at a National Klonvocation in Birmingham, Alabama. Source stated that during April, 1966, the national office was moved from Suite 401, Alston Building, Tuscaloosa, Alabama, to the [redacted]

## APPENDIX

### "MINUTEMEN"

The "Minutemen" was organized in June, 1960. Its present headquarters are Norborne, Missouri, and [redacted]

Statements by [redacted] and literature distributed by the organization in the past indicated its purpose to be the resistance to, and exposure of, the spread of communist influence within the United States; for the formation of a guerrilla or underground organization to combat the troops of any foreign powers which might eventually occupy this country; and resist passage of laws which would regulate private ownership of firearms.

The Kansas City Star Newspaper, Kansas City, Missouri, has on numerous occasions, carried various articles concerning [redacted] and the "Minutemen", wherein it was stated that members of the organization participate in maneuvers utilizing guerrilla tactics with machine guns, mortars, grenades, and other firearms.

[redacted] has publicly stated on numerous occasions that the "Minutemen" as an organization does not buy or store arms or ammunition; however, the individual members of the organization maintain arms and ammunition, which is their constitutional right.

"Minutemen" literature mailed to members in the past has furnished instructions in the use of explosives and has also given details for the making of explosive compounds from such readily accessible ingredients as a common fertilizer, ammonium nitrate.

In May, 1966, a confidential source advised that [redacted] in a recent message to the national coordinators of "Minutemen", announced the "Minutemen" organization was being divided into two separate bodies. One group to be composed directly of members who have been able to maintain complete secrecy of their identity, from both the public and from Government investigative agencies. The second group to be made up of all members who have been publicly identified, or who there is reason to believe have been identified as "Minutemen" members by an agency of the Federal Government.

b6  
b7C

"MINUTEMEN"

In announcing the re-organization, [ ] stated that a complete resistance movement involving total resistance must involve not only guerrilla warfare and not only resistance warfare, but that it must involve psychological and political warfare as well.

[ ] stated that what he was proposing and trying to effect was to build a political party that as such would have legal immunity, which would serve as a communications network for patriots that have other interests, and among whose members these other patriots can maintain their secrecy of identity. All future correspondence and communications on the national level will be done in the name of the Patriotic Party. [ ] also advised that if ever called to court, as he expected to be in the future, he was going to state that as far as the national organization is concerned, the "Minutemen" had ceased to exist.

b6  
b7C

[ ] in the announcement, continued to the effect there is no reason why at some future date, when the environment is more conducive to military action, that the Patriotic Party cannot be used once again to pull together various local organizations into one national organization. By acting both as a front and as a means of coordination, the Patriotic Party can be invaluable in the building of a future resistance movement.

## THE YALTA BETRAYAL

A Stanford University researcher, studying recently declassified Army documents, reports that the United States agreed to forcible repatriation of more than one million anti-Communist Russians and East Europeans to the Soviet Union after World War II.

Julius Epstein, Research Associate at the University's Hoover Institute, said he came across the documents in a file known as "Operation Keelhaul." He said the persons to be repatriated were all prisoners of the war, refugees and displaced persons. Epstein found the information in one of the four documents released to him after 14 years of petitioning the Army for removal of top secret and secret classification. Epstein filed suit in the United States District Court last year, and the Army subsequently de-classified the four documents.

Epstein said from information he can piece together, someone on the Allied side must be held accountable for returning the refugees to Stalin's gallows or slave labor camps. A memo in one of the de-classified documents dated Dec. 4, 1947, reads: "Subject to repatriation of Soviet citizens who are subject to forcible expatriation under the Yalta agreement." "To which Yalta agreement does the document refer?" Epstein asked. He said the only agreement made public was signed February 11, 1945, and it remained under top secret classification until March 8, 1946, and that the 1945 Agreement does not refer with a single word, to use of force. Therefore forced repatriation cannot be based on the Yalta Agreement published by the United States government. He said this leads to two possibilities, — one that there was a supplementary and still secret Yalta Agreement on repatriation which provides for the use of force; or the Yalta Agreement on repatriation of February 11, 1945 was just arbitrarily interpreted by the Joint Chiefs of Staff as saying the use of force.

The reports, that might rightly be considered the kidnapping and packing into boxcars of around one million human bodies to be sent back to the Soviet slave labor camps, or the Stalin slaughter houses, which was carried out by American troops under the Joint Chiefs of Staff, was one of the most outrageous accounts in the history of the so-called humanitarianism. For the free people of America to send over one million people to untold suffering and death against their will has placed blood on our hands and will leave a stain on our conscience which we will never be able to erase until judgment is meted out to us before the judgment seat of Almighty God.

Thousands, in the presence of our troops, bashed out their babies' brains, slaughtered their own children and committed suicide themselves, rather than to return to the midnight of Communism.

When Soldiers of the Cross and other patriotic organizations accused our government of committing this act of forced repatriation, we were scoffed at as spreading false rumors and lies. Now the full story comes to life nearly 25 years later and reveals that we were telling the truth.

It is our hope and belief that future history will unmask the treason of Yalta, Teheran and Cairo, — treason which our State Department entered into in selling out hundreds of millions of free people in Europe and Asia into the hands of atheistic hell-inspired Communism.

There would not be the bloodshed and suffering today, had it not been for these conferences at which we broke bread with the 'Christian-killing' Joseph Stalin, and met his demands by giving him freely our golden pyre of hundreds of millions of our fellow Christians.

It is in my estimation, a great victory for liberty-loving Americans, that this sell-out is now coming into public light. Maybe it will awaken some who could not believe that the C F R and the State Department could be guilty of such treasonable acts.

## KING JOHNSON I

Since last November, we have carried in the CHRISTIAN BATTLE CRY several stories on our former president, L. B. Johnson.

In these stories, we have related the fact that he has received and will continue to receive the rest of his life time, a tremendous amount of money and help from our Federal government.

We told you how they have given him fifteen half-ton trucks to be used in his service; twenty-three around-the-clock Secret Service men to guard him and his family. Also, one helicopter to be used in going on his speaking tours, or to Austin, plus free use of military planes as needed.

Last month, we received our second shock, when we heard how the Federal government wanted to make his birthplace a shrine along with that of six others of our national leaders. The "shrine", which would cost us \$128,000.00, is just for the renewing of the outhouse and pig-pens and their care.

Now comes some more high-level banditry, which will make a sucker out of every American taxpayer.

Mr. Johnson, our ex-president, received \$375,000 cash during the first six months of his retirement to pay for his personal office, staff, and its equipment, that he may use to write his memoirs and magazine articles.

After the first six months, he is to be paid \$80,000 annually to continue any personal office expenses he may have. He will be receiving \$25,000 pension, annually as ex-president. He will also be receiving a \$22,500 pension as ex-member of the House; and \$47,000 annually as an ex-member of the Senate.

At our expense, he is furnished a 20-room office suite in the Federal Building at Austin, Texas. Also, a second office at the new \$11,800,000 Johnson Library now being built in Austin, Texas.

# EVANGELICAL CONFERENCE

The United States Congress on Evangelism, led by Billy Graham, and made up of leaders of Conservative Protestant Churches met in Minneapolis. This Conference heard demands by Black Militants, and by a caucus of black delegates including suggestions what white evangelist churches become involved in housing, welfare and equal opportunity programs.

Among the recommendations to the delegates: They were to confess inward inaction to the sins committed against black people and the sins were listed. An important one was the failure in hiring black pastors for their churches.

Two long haired hippies, a boy and a girl, both in jeans and sandals, strolled into the meeting and sat quietly on the floor before the stage. Auditorium ushers asked them to leave. Nearly one hundred of the clergymen and laymen in the audience of five thousand walked out to protest the oustering. Keith Miller, a 42-year old Episcopal layman studying for his Doctors Degree in Psychology Counseling at the University of Texas, shouted, "Here we are taking our brains about how to get the Gospel of Jesus Christ out on the street, and here have come two young people looking very much like Christ, and we have thrown them out." The audience burst into applause and several went out and brought the hippies back. When they returned, they received a rousing ovation.

Well, here we have the Evangelical Conference! Pretty soon, our conferences will look and act so much like a national council rally, that a stranger would know no difference!

## GUN CONTROL LEGISLATION

Recent action by the Senate Committee passed a measure designed to allow gun owners to buy some kinds of ammunition without having to give their name, age and address. This proposal is the first attempt to open a loop-hole in the 1968 gun control law. The proposed change would lift the requirement for the sale of all rifles, shot guns and .22 calibre rimfire ammunition and the component parts used by hand loaders for such ammunition. The change has the backing of the National Rifle Association.

## CUBAN EXILES

This last month, the 13,000 seat Miami Stadium was filled by Cuban exiles who prayed to their Roman Catholic patron saint for liberation from their country, and from the Fidel Castro regime. They prayed to the Virgin of Charity, Cobre, whose statue was brought to Miami by anti-Castro refugees who were first taken to the Pan American Embassy in Havana, where they took temporary asylum.

While these exiles were praying, their liberal churchmen in America were asking for the recognition of the Castro regime and monetary aid for the Cuban government.

## First Lady of Greece?

It is rumored very strongly in European circles that Aristotle Onassis is working to make Jacqueline Kennedy the 'first lady' of Greece. He feels, that in this position, with her having been the wife of the late President Kennedy, a good liaison could be maintained between the Greek government and our State Department.

## BISHOP PIKE MASS

An unusually high requiem mass was celebrated recently in New York for Bishop James A. Pike. The congregation sat in a semi-circle in chairs and on the floor at St. Clements Episcopal Church. There were babes in arms, and some of the parents wore mini skirts and sandals. Children ran in and out of the austere high-ceilinged chambers. Mothers comforted their crying children, and members of the congregation strolled around at will.

Pike's friend and biographer, William Stringfellow, who wrote the "Pike Affair" sat at a desk on the stage and openly reminisced about the former bishop. He told the congregation that his words were not an eulogy. Often he invoked laughter from his listeners as he described encounters between the controversial former bishop and the church leaders.

Duke Ellington, who rarely performs alone, then played melancholy pieces from his latest sacred concert. After communion, the church secretary, wearing a red and orange mini dress, stood in front of the altar and invited members and new comers to join the congregation for coffee. Well, one could say "Bishop Pike's body lies a-mouldering in the grave, but his spirit marches on!"

## NEW LEADER FOR MINUTE MEN

Ralph DePugh, has assumed leadership of the MINUTE MEN, filling the position held by his father, who is now in jail, pending his trial.

Young DePugh, in assuming this office, made the following statement: "We have had, with the apprehension of my father, a set-back in our organization, but we urge people to understand we are by no means giving up our philosophies of the fight, and will soon be back as strong as ever, and working on the same level."

Ralph DePugh is married and has a daughter. He was discharged from the United States Marine Corp in April, 1968. His tour of duty included thirteen months in Vietnam where he was promoted to the rank of Sergeant in a Rifle Company.

He has vowed to maintain the group's main purpose of using any means required in order to save this country from Communist subversion.

THE CHRISTIAN BATTLE CRY sends its congratulations, and we are happy to see this young man step forward to fill his father's boots.

## Rogers and Kissinger

Secretary of State William Rogers, who has a reputation as a mild-mannered public official, recently demonstrated that he can be tough when the occasion demands it. Insiders say he "lowered the boom" on Henry A. Kissinger, the White House advisor on national security, for what Mr. Rogers regarded as unreasonable demands on the State Department. The exchange took place in the presence of Mr. Nixon, who leans heavily on Mr. Kissinger's advice.

## DEFENSE DEPARTMENT

The Defense Department is showing to public audiences a painting entitled: "THE NEXT SUPPER", in which Jesus is pictured smoking pot and the disciples as they appear in the DaVinci 'Last Supper' are replaced in order, left to right, by: SPIDERMAN, CHARLIE BROWN, BUGGS BUNNY, JUGHEAD as Judas Iscariott, ARCHIE, CAPTAIN MIDNIGHT as John the Beloved, MICKEY MOUSE, SUPERMAN, SANTA CLAUS, THOR, SCROOGE, McDUFF AND BATMAN.

This picture is being displayed by the Department to show what is appearing in underground newspapers; and by film produced by the SDS, hippies and others of these schools.

It is estimated that thirty to fifty percent of the college students have tried "pot" at least one time.

The underground poster, "THE NEXT SUPPER" shows Christ with a pile of marijuana and with a high pressure nozzle in his hands to supply marijuana smoke to the whole group.

## NIXON LOSING SOUTH

From a leading Democrat in South Carolina: "Dick Nixon no longer can count on Strom Thurmond to hold Southern support together for him. Many of the South's 'Nixon voters,' who really wanted to vote for George Wallace in 1968 but decided that would be wasting a ballot on a lost cause, have decided, 'Never again' - they'll vote for Wallace in 1972."

## Priest Arrested

A former Russian Orthodox priest who charged the Kremlin with persecuting religion has been arrested, informative sources report.

The source said, "Anatoli Krasnov, 54, will be tried for anti-Soviet activities." The former priest reportedly left the church after accusing its leaders of collaborating with the government to stifle religious freedom.

It has been the contention of the Christian Battle Cry and its editor over the years that there is no religious freedom in Soviet Russia; and our book "RED ATROCITIES", which sells for \$1.00, openly names several, many who are rooted at slave labor camps, who were Evangelists and Ministers. This book exposes the fallacy spread by many American church leaders that there is "new" freedom of religion behind the iron curtain. So many of these "two-week" visitors who travel with Soviet guides, have come back to the United States to peddle the Communists' manufactured lie of "religious freedom" and act as servants of the Gospel, only make it harder for the loyal Saints who are perishing today under the anti-Christ heels of the Soviet atheist regime.

### KING JOHNSON I - continued

Along with this, he has free mailing privileges for life which can be used in helping out fellow members of his party in their campaigns for office, as well as setting forth his own use, at yours and my expense.

We are paying for some very expensive aircraft and navigation equipment left at his ranch, while he was in the presidency; along with a large open field of brilliant wild flowers planted there at the taxpayer's expense during the summer of 1968, and will be kept up by members from the Bergstrom Air Base.

The "private" 5-room office on the 10th floor of the Federal Building is panelled with expensive teakwood, and furnished with three television sets.

The room of the 20-room office suite is heavily reinforced to accommodate the largest helicopters to and from his ranch.

## SDS 'WORK-IN' INSIGNIFICANT

The cause of a warning sent out concerning the planned infiltration of industries by the Student Democratic Society and work in effect were insignificant. The SDS did not reveal the number who got jobs, but some members claimed one thousand and two thousand were involved. SDS member, Mark Rudd said, "Lots of stuff happened in the streets with the working class this summer, but not so much in jobs." He indicated SDS men were more interested in talking to teen-age children or the working class farmers, than to the workers themselves.

# CHRISTIANITY

Vol. 1, No.  
October-1969

IN HIS DEFENSE BY HELEN M. PETERS

## CHRISTIANITY

We are fighting a religious war. It is Judaism against Christianity. We have a revival of ancient Rabbinism and it will be a surprise to many who love our Lord Jesus Christ to learn that the present teaching of the Kingdom of God is identical with first century rabbinism--an earthly kingdom, not spiritual. This is no accident. It has been carefully planned by the enemies of Jesus, and fed gradually to the people, until today most of our churches are promoting Judaism in the name of Christianity.

Although the church denominations in the past have had differences of opinion on some doctrines, they ALL agreed that the true kingdom of God is Spiritual, and already established in the hearts of men. It is only rather recently that the teaching of a still future, earthly, material kingdom of God has spread throughout the land, causing great confusion. It will help to know the true and the false teachings of the kingdom, and I want to share with you the following summary which came to me recently:

### THE MUTILATION

Of the 70 Weeks of Daniel 9:24-27

For over 17 centuries our theologians and Christian leaders have taught that the 70 weeks (weeks or years) of Daniel 9:24-27, were consecutive--one week following the other in sequence, and that Jesus Christ was the very center of the 70th week fulfilling ALL that the prophets had spoken concerning Himself, (Luke 24-13-27)

They taught that His Kingdom "....is not of this world" as Jesus plainly said, but is a Spiritual Kingdom in the hearts of men, which is His invisible church--the Body of Christ. No one joins this church, but the Lord, Himself, adds each soul that is truly converted and cleansed by the Holy Spirit, and is obedient to His Holy Word.

They taught that when Jesus hung on the cross, He paid for the sins of ALL mankind who would believe this and accept Him as his own personal saviour; that He broke down the middle wall of partition between those who were "afar off", the Gentiles, and those who "were nigh", the Jews; abolishing the enmity between us even the ordinances (of the Old Testament) to make Himself one new man. So that through Him we both--Jew and Gentile--(the new man) have access by one Spirit unto the Father. Making all believers--Jew and Gentile--"fellow citizens with the Saints, and the household of faith." (Eph. 2)

They taught that when Jesus was nailed to the cross, the ordinances and the Sabbath of the Old Testament were also nailed to the cross. (Col. 2:14-16). This ended the economy of the Old Testament, which was a shadow of things to come; and began the economy of the New Testament, in which salvation is free to all mankind through the blood of Jesus Christ.

They taught that at the destruction of Jerusalem in 70 A.D. God did away with the earthly nation of Israel forever; that His Israel now is Spiritual--His Church--the Body of Christ--the Kingdom of God, and composed of all believing Jews and Gentiles. Earthly Israel, God's chosen people of the Old Testament, had to give way to Spiritual Israel, God's chosen people of the New Testament.

They taught that when Jesus finished His work on earth, and after He had given the "Great Commission" (Matt. 28: 19-20), He ascended into Heaven and sat on the right hand of God the Father, with all power on earth and in heaven--where He is sitting and reigning as King now, on the Throne of God, the Throne of Jesus and the Throne of David--one throne, not three. He will continue to sit and reign on this throne until the end of the world.

They taught that Jesus went to prepare a place for us, and will come again to receive us, so that where He is, we may be also; that this coming again will be the only coming again of the Lord; that on that day He will judge the quick and the dead; that all will come forth from the grave on that day--"They that have done good unto the resurrection of life; and they that have done evil, unto the resurrection of damnation." (John: 5:28-29)

They taught that "....Now is the day of salvation (II Cor. 6:2), and that it will be too late when Jesus comes again, for time on this earth will be no more. There is no other day--just today--now!

This teaching exalts the name and work of Jesus Christ our Lord and Saviour, and is therefore in obedience the Word of God.

BUT in the last 150 years another group, modern in theology, has sprung up and their teaching has spread like wildfire during the last 50 years or so. They call themselves Fundamentalists, Dispensationalists, Premillennialists etc., and although they differ from one another in some views, all of their schemes completely bypass the cross. They say that the 70th week of Daniel was separated from the first 69 weeks and was placed at the end of time, and is therefore future--at which time they say Christ is to establish His Kingdom which will be earthly, not Spiritual.

They place, not Jesus, but the anti-Christ (a man, they say) in the center of the 70th week. They say he will reign, beginning at the middle of the week, for  $3\frac{1}{2}$  years but will be consumed by the brightness of Christ's coming with his saints.

They say that Christ will come two times, once for his saints and once with his saints; that there will be two resurrections--one when He comes for his saints and one after the 1000 year reign. He comes for his saints at the end of what they call the Church Age, and with his saints at the end of the 7 years tribulation to set up His Kingdom on this earth and reign a thousand years.

They say that Christ has never reigned as King yet because the Jews did not accept him as their king when He came and that God realized He had made a mistake and postponed His Kingdom till later on.

They say He is King in fact, but not in act and cannot reign until the Jews accept him, which they will, they say, when He comes again.

But Jesus was already here and He had to do something. So He stopped the Jewish clock, set them aside to wait while He established His Church as a substitute for the Kingdom which He came to establish but was unable to establish because the Jews rejected Him.

They say that when the Church Age is ended, that Jesus will come for His saints--this is the rapture of the saved, and removes the Holy Spirit from this world.

They say that at this time the Jewish clock starts again--for this is the beginning of the 70th week. It will be 7 years of terrible tribulation, but there will still be time to accept Jesus and be saved.

With the Holy Spirit removed from the earth, the Anti-Christ is no longer hindered and will take over about the middle of the 7 years and reign for  $3\frac{1}{2}$  years, at the end of which time he will be consumed by the brightness of the coming of Christ with His saints to set up the literal earthly kingdom of God which the Jews expected at His first coming. They say that Jesus will sit on the literal throne of David and reign for a thousand years. This is their Millennium --a world brotherhood under God.

They say that immediately before and after His second coming there will be a restoration of the Jews to Palestine; that they will rebuild their temple in Jerusalem; that the "Great Commission" will not be in effect; that the tabernacle will be restored and the Feast of the Tabernacles kept; that all the old Mosaic ceremonies will be observed, including the observance of the Sabbath and the Passover.

They say that after 1000 year reign the wicked dead will be resurrected and Satan will be loosed a little while. This period they say, will terminate with a terrible battle between Jesus and His saints and Satan and his saints--with Jesus, of course, winning the battle. This stage then, will merge into the eternal state.

This is their scheme. It exalts the Jew, not Jesus the Son of God. But even though they by-pass the cross by moving the 70th week to the future, with all the distorting results, they preach and teach their gospel in such a beautiful way that one is well on his way to confusion before he realizes that something is wrong.

These errors can be refuted by Scripture, but the Christian will have to search it out for himself, for very few ministers are exposing this false teaching in any manner. In fact hundreds of them are propagating it.

May the Lord help us to know the truth of Jesus who said, "...for this cause came I into the world, that I should bear witness unto the truth.

Everyone that is of the truth heareth my voice." (John 18:37)

The teaching of an earthly kingdom of God, covered in the last part of the above article, is the teaching of the Pharisee British Israelite, and it is Spiritual Communism.

If you do not understand what spiritual communism is, then let us make it simple. If communism is a system in which things are held in common, and if man's spirit is what he believes, then wouldn't he be a spiritual communist if he believes in the one world kingdom of God on earth--a common brotherhood under a common father? This is why the author of Spiritual Communism can say: "If one believes in the kingdom message and an earthly world state under the rulership of Christ, his faith is Judaism and he is a communist in truth. He may not be aware of it and the world may not recognize him as a Communist under the general meaning of the term. He is nevertheless a pure Communist and his world government religion or faith makes him a citizen of the world.....This is the deceit concealed within American Conservatism and Christianity."

When the Jewish nation was destroyed in 70 A.D., in God's plan, this was the end of that nation forever, and the true Jew from then on is the Christian, (Ro. 2:28,29). However there were enough Pharisees left to carry on their religion of Judaism, and they have posed ever since as the true Jew and God's chosen people. This is the lie that has deceived the world, and the Christian should look to the Author of Truth to understand that it IS a lie. Jesus told the Pharisees in John 8:44 that their father the devil, is a liar, and the father of lies, and that they will do the works of their father.

We should be able now to see that if one is a spiritual communist his faith is Judaism, and if he is not of the line of the so-called Jew, then he is a proselyte to Phariseeism! In the interest of the concerned reader, we point out what Jesus the Author of Truth, said to the Pharisees in Matthew 23:15. "....ye compass sea and land to make one proselyte, and when he is made, ye make him twofold more the child of hell than your selves." Jesus is saying that the Pharisees are the children of hell. But what is He saying to the proselyte? That he is TWOFOLD MORE the child of hell. If this means what it says, AND IT DOES, then belief in the earthly kingdom of God does not mean salvation but damnation. Shall we follow these millennial leaders all the way to the slaughter, or shall we begin to think for ourselves?

True Christianity is a relationship to Christ, but one cannot have a relationship to Christ unless he believes in Him and His works. He must first of all believe in the Deity of Jesus--that He is the second person-ality of the Godhead. He must believe that the Trinity is ONE in essence, but THREE in personality. When one believes in Jesus, repents from his

sins, and confesses him as his own personal Redeemer and Saviour, he is to be baptized with water "...in the name of the Father, and of the Son, and the Holy Ghost." (Matt. 28:19) This baptism is done by man, but the baptism of the Holy Spirit is necessary to cleanse and purify the soul before that soul can enter the kingdom of God, and this baptism cannot be done by man. Only God, the Holy Spirit, can administer this baptism, after which, one becomes a citizen in the kingdom of God on earth (in the hearts of men) a kingdom which is "...not meat and drink, but righteousness, and peace, and joy in the Holy Ghost." (Ro. 14:17)

In addition to the above quotation from Matthew, there are two other places in the Bible that teach the Holy Trinity. At the baptism of Jesus by John in the third chapter of Matthew, the three distinct persons of the Trinity were represented--the person of Jesus Christ baptized by John in Jordan, the person of the Holy Ghost in a bodily shape like a dove (Luke: 3:22) and the person of the Father, when a voice came out of heaven saying, "This is my beloved Son in whom I am well pleased." We find the Trinity used as a blessing in Second Corinthians 13:14, "The grace of the Lord Jesus Christ, and the love of God, and the communion of the Holy Ghost, be with you all."

Christianity then believes that the doctrine of the Trinity is the teaching of God, regardless of what the Pharisees taught in the beginning of the Gospel and what they are teaching at the present time. The admonition of Jesus to his disciples, who had the same problem with the Pharisees then that we have today, should apply to us also--when He "...began to say unto his disciples, first of all, 'Beware ye of the leaven of the Pharisees, which is hypocrisy.'" (Luke 12:1).

If you have read SPIRITUAL COMMUNISM and THE UNION JACK, then you understand that this Pharisaic hypocrisy is now at its peak, with the whole world controlled by the invisible Pharisee Jew; and that they "stir up the people" (Acts 6:12, 13:50, 14:2, 17:13, 21:27) all over the world in all ways possible--even manipulating the wars to whip communism, which they set up as a disguise--while their other helpers, the right wing anti-communists tell us these horrible things to keep us looking in that direction while the so-called kingdom of God-- a one world government-- is sneaking in on us from behind under the guise of Christianity.

So that the true plot to take over the world, is a SPIRITUAL PLOT, and although we need to keep up with the political maneuverings, we must always keep in mind that they can only be understood in relation to the spiritual plot, from which sprang the whole deceitful confusing mess.

Many believe that the Pharisee Jews occupy Palestine today in fulfillment of prophecy as declared by the British-Israelites, but all the prophecies relating to Jews returning to Palestine were made before or during the time of captivity in Babylon, and all fulfilled at their return from Babylonian captivity. They occupy Palestine today in fulfillment of what

Jesus said to them in John 8:44-- that they would do the works of their father, the devil-- NOT in fulfillment of prophecy that has already been fulfilled.

If you are interested in how the Holy Land became transformed into a Zionist state, we give you the following information:

There are three causes: 1. False Zionist territorial claim to Palestine. 2. The Balfour Declaration. 3. The United Nations Participation Act.

Britain promised the Jews a "national home" in Palestine in the official Balfour Declaration. This government promise was made by Britain before she was granted rule over Palestine by a League of Nations mandate Lord Balfour, British Foreign Secretary, wrote the following official letter to Lord Rothschild: --It is an official British document!

The Foreign Office  
2nd November, 1917

Dear Lord Rothschild,

I have much pleasure in conveying to you on behalf of His Majesty's Government, the following declaration of sympathy with Jewish Zionist aspirations, which has been submitted to and approved by the Cabinet.

His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which might prejudice the civil and religious rights of existing non-Jewish communities in Palestine or the rights and political status enjoyed by Jews in any other country.

I shall be grateful if you would bring this declaration to the knowledge of the Zionist Federation.

Yours sincerely,  
Arthur James Balfour

The Zionist Jews that control the British Empire are the framework of the plot. The Scofield Bible is used to mislead Christians into believing that the earthly throne of David is to be the future throne of Christ on earth, that Christ will return and rule from this earthly kingdom for 1000 years. British-Israelism is the same religion as Judaism and millennialism and goes a step further in teaching that the throne of England removed to Jerusalem is David's throne and therefore is the throne of Christ! These fake Christians with the millennial earthly religion are ignorantly working for Communist World Government to be ruled under the throne of Britain.

Jesus of Nazareth continually warned the Jews of His days against interpreting the idea of a kingdom of God in a certain locality or country. He told them that the Kingdom of God was throughout the world and that the people of all nations and races would come into it. It was not an earthly kingdom like the Roman Empire which they sought to imitate, but a HEAVENLY KINGDOM in the hearts and minds and souls of people.

Our Lord and Master, Jesus Christ also warned the Jews that if they tried to establish an independent earthly kingdom in Jerusalem for the kingdom of God, it would be destroyed. The present Zionist state is only a caricature of the Biblical ideals; the one prophecy which it fulfills is the prophecy of our Lord himself--in the Gospel according to St. Luke 17: 20, 21..... "And being asked by the Pharisees, when the kingdom of

God cometh, He answered them and said, 'The Kingdom of God cometh not with observation, neither shall they say, Lo, here, or, there; for Lo the Kingdom of God is within you.'

If you consider yourself a conservative and a Christian and adhere to the teachings of an earthly millennium reign, you are witnessing against Christ and even yourself. You deplore Zionism in a political sense but you promote it in a spiritual way. This makes you a SPIRITUAL COMMUNIST. Should there be any doubt in the mind of a Christian that Christ and not the state of Israel is the fulfillment of the prophecies and promises?

American Council for Judaism,

## NO COVENANT BETWEEN JEWS AND GOD

In "Issues", the quarterly periodical of the American Council for Judaism, Vol. 12, No. 8, we find on pages 12 to 14:

"Kaplan \* emphasizes the existence of a Jewish people but denies their superiority. He contends that Jews cannot prove the existence of any specific covenant between them and God. Jews are neither superior human beings, nor do they possess a superior tradition because of the Torah, according to Kaplan. He implies that other religious civilizations offer traditions equally good. He also rejects the inference that Jewish chosenness consists of heightened ethical responsibility."

Berger\*\* rejects the existence of a Jewish people" ... He says: I find nothing to support the thesis that there is such an entity as a Jewish people except in the sense that among all Jews there are certain similarities of religious belief and practice."

"Berger argues that the people believing in the God of Moses constituted a religious community, not a nationality. Moses was the prime example for this point. Since he had married a Medianite rather than a Hebrew girl. Berger rejects the divine origin of this early monotheistic belief, thus making it possible for him to refute by definition that divine decree made of the Jews a distinct people."

\*Mordecai M. Kaplan, Author of "Judaism as a Civilization"  
\*\*Rabbi Elmer Berger, Executive Director of the American Council for Judaism

If Israel is the fulfillment of the Biblical promises, then why Christ? There is no need for Him, then our preaching and belief have no sound foundation. Christ is our Messiah and all those who are trying to identify Israel with the Word of God, are ignoring the New Testament which the Jews reject. This attempt is BLASPHEMY!!

The word Jew is used to establish a racial theory as a Biblical concept of salvation. Jews are not a race, they are a sect. The American Jewish Council agrees that there is no covenant between the Jews and God. They also say they are a religious sect. (See article at left).

Here is a quote from THE UNION JACK, pg. 93: "The Jew, in a fleshy racial sense does not exist and never has from Old Testament times until the second appearance of Christ, at the final age of the Gospel (kingdom of God). The only true application of Jew should be Pharisee, based on the belief of Rabbinism or Talmudism. Therefore, our use of Jew (and we use it thusly because the world would not

otherwise understand) refers to a religious sect, based on Luciferianism." Arthur Burns, who is Nixon's presidential advisor, (a cabinet post was created for him)--is a promoter of NATO and an ex-member of the Board of Federal Union, is a Jew and so is Sammy Davis Jr.,--Esther 8:18 states: "And many of the people of the land BECAME Jews, for the fear of the Jews fell upon them." Therefore a valid attack upon the Jew must be related to his DEVIL religion which promotes a kingdom of God on earth.

This "cult" of British Israelites operate on a world wide basis, the headquarters is located at 6 Buckingham Gate, London, England. The headquarters in the United States is Destiny Publishers, at Haverhill, Mass., (see AND MEN WEPT, by Catherine Baldwin) their letterhead verifies the connection. The cult also operates in Russia and in the next to the last paragraph in the following clipping from the Los Angeles Times, 6/2/69, --note that it states: "The establishment of Christ's kingdom on earth is more and more associated with the Communist reconstruction of the world."

## RUSS CHURCH ADAPTS TO 'RED CHRISTIANITY'

MOSCOW (AP)—The Russian Orthodox Church has found new favor here by developing "Communist Christianity."

This accepts the Communist social system as just and good and supports Kremlin policies. It plays down the philosophic conflict between the Christian faith and the atheistic materialism officially espoused by the government.

Notable evidence of a changed attitude toward the church appears in the latest issue of the magazine Nauka i Religiya (Science and Religion), the leading Soviet publication on religious matters. The magazine used to assail religion and proclaim the

need for its disappearance from Soviet life.

The new article praises the Russian Orthodox Church for turning to Communist Christianity, citing pronouncements by Orthodox leaders and theologians to show they associate the Soviet system with the kingdom of God on earth.

The previous issue of the magazine, taking a similarly favorable attitude, wrote admiringly of church members as good Soviet citizens. It referred to polls taken recently which were said to have confirmed this.

The new attitude in Nauka i Religiya reflected an apparent Kremlin attempt toward further re-

conciliation with religion. The post-Khrushchev leadership seems ready to live with the Orthodox church as part of the national heritage. It has made a general attempt to end divisive quarrels and rally all groups in the country.

In an unusual move the government is promoting a meeting in Moscow July 1-4 of Soviet religious leaders of all faiths. They are to discuss peace and international friendship.

The support, they are expected to give Kremlin policies would be in line with the status churches have come to occupy in Soviet society. By approving the regime they have been allowed to continue

functioning, though with restrictions meant to hold down their following.

Nauka i Religiya dealt only with the Russian Orthodox Church, which still claims 50 million members despite early Communist persecution.

The magazine praised the church for giving up its old alliance with capitalism and its concentration on the inner state of man and the after life in favor of more emphasis on social justice and general human welfare on earth.

"The gist of the social interpretation of Russian Orthodoxy lies in the concept of Communist Christianity," said the article, by Pyotr Kurochkin.

"Communist Christianity appeals to believers to get involved in the struggle for socialism and Socialist conceptions."

Nauka i Religiya quoted from Zhurnal Moskovskoi Patriarkhi magazine of the Moscow Patriarchy to show how the church press treated the new outlook.

"The establishment of Christ's kingdom on earth is more and more associated with the Communist reconstruction of the world," the religious magazine said.

Nauka i Religiya commented approvingly: "Leaders of the modern Orthodox Church proclaim that the atheistic Soviet authority carries out the will of God by establishing a new life in a just society."

In Russia the preaching of a kingdom of God on earth is called "Communist Christianity". In the NATO countries, which includes the United States, it is called Evangelism or Fundamentalism. You will find that almost every so called "man of the cloth" is steeped in this perversion. Here are a few examples:

Dear M [redacted]

Dr. Graham has asked me to thank you for your letter, and we on his counseling staff would like to assist you.

Jesus will return to earth and reign for a thousand years. This is called the millennial reign. In Revelations, chapter 20, you will find the millennium mentioned six times as the "thousand years" of the Lord's reign. There are a great many passages in Scripture where the term is not mentioned but where the conditions are found; for example, in chapter 2 and chapter 11 of Isaiah. Also, see the latter part of the book of Ezekiel. If you will read these references, they will help you.

As to the political question, I believe it would be well worth your while to spend some time in your local library. There you can get more adequate answers to these matters.

Thank you for writing. May the Lord enrich your life, filling you with all joy and peace in believing.

Sincerely,

JDL:bjo

Mrs. [REDACTED]

Thank you for your letter of June 30th. I will be most happy to give answers to your questions.

Your question, "Do you believe that Jesus will return for a reign of 1000 years?" My answer is simply, yes. ✓

May God richly bless you.

Dear Miss [redacted]

I believe that Jesus Christ will return and rule both heaven and earth. As to the details, my wisdom cannot cover that, but I know that it will be done properly because it will be done by my Saviour Jesus Christ.

I do not like the term "Israel", even though I believe that I am an Israelite.

I hope this helps to answer some of your questions. God bless you for your love of truth.

Sincerely,

The premillennium theory, (kingdom of God on earth) revolves around the book of Revelation and the 20th chapter is used as a foundation to promote these theories. You will note that in the words of John that this chapter was addressed to the 7 churches of Asia and was written especially for those churches named in the first chapter.

Just as Jesus addressed the Jews in parables, but explained the teaching to His disciples: ".....because it is given to you to know the mysteries of the Kingdom of heaven but to them it was not given." Matt. 13: 11. Had John used plain words in Revelation, it would have given the Pharisees all the information intended for the church. NOWHERE in Revelation 20, does it state that Christ will step foot on earth! I have a tract entitled, DOES REV. 20 TEACH THE MILLENNIUM? Please ask me for one, send 2- 6¢ stamps and I will mail you one.

ALICE IRENE STOUT

I have a copy of the IDENTITY DIRECTORY, it states that they are making known the National Message as it deals with the nations of Modern Israel.

It also states in the Foreword, that there are variations of the Anglo-Israel or British-Israel teachings. Zionists control modern Israel as you well know. Alice Irene Stout is listed on page 9, as a minister. Her address is listed as 181 S. Vermont, Los Angeles, California. The letters B, H, L, & W appear after her name in the directory which means according to the "key" that she has Bible studies by mail, home meetings, libraries, and written material, books, charts, etc., to promote the British-Israel teachings. After our newsletter, WHAT'S WRONG WITH THE JOHN BIRCH SOCIETY? was reprinted in the National Chronicle in California, Alice Irene Stout wrote the following open letter addressed to Robert Welch and it was reprinted in the National Chronicle on June 12, 1969:

★

Mr. Robert Welch  
The John Birch Society  
Balmont 78, Massachusetts  
My Dear Mr. Welch:

Last night I read your very interesting booklet, "The Neutralizers," and I hasten to say that I am entirely in sympathy with your viewpoint if you have lost members of your Society because of the Anglo-Israel teaching. Certainly the Bible does not tell us to "do nothing" — that the Lord will take care of us. On the contrary, the Bible tells us that "God sent His sons" into the physical world to do a specific job, — and that was TO FIGHT EVIL, and bring righteousness into the world, which your Society has been doing.

I enclose herewith two of my own articles, which were first published in Dr. Lovell's "Kingdom Digest," and have since been published in many other Kingdom publications. I believe that you will find that these by no means teach the "do nothing, leave it to God" idea.

For several years I have had many "John Birchers" in my Bible Classes, and as far as I know, none of them have dropped out of your Society because of my teaching.

With the very best of good Christian Wishes for you and the Birch Society, I am In His Service, and In His Name,

Sincerely yours,  
ALICE IRENE STOUT

This proves to the reader that the John Birch Society IS British-Israel.

In response to letters I have received, the following are listed in the IDENTITY DIRECTORY: C.L.K. SMITH, pg.12; W.B. Record, Pg. 8; Wesley Swift, pg. 10; Kenneth Goff, Pg. 12. There are hundreds of other listings and many are not listed for various reasons (so states their directory).

For instance, Billy Graham, Billy James Hargis, or Carl McIntire are not listed, but they all preach the millennium, (Kingdom of God on earth) message.

Phillip Mauro, states

in his book, GOSPEL OF THE KINGDOM, "....the Kingdom of God, twentieth century dispensationalism is practically identical with first century rabbini-ism. For the cardinal doctrine of the Jewish rabbis of Christ's day was that, according to the predictions of the prophets of Israel, the purpose and result of the Messiah's mission would be the reconstituting of the Jewish nation; the reoccupation by them of the land of Palestine; the setting up again of the earthly throne of David; and the exaltation of the people of Israel to the place of supremacy in the world. ### UNITED NATIONS

(The United Nations was the dream of Cecil Rhodes, and it is said that when he conferred with Lord Rothschild regarding the U.N., Rothschild said it was an excellent idea--if it would work: (it has). Rhodes left a will, so that millions of dollars could be used to educate youths in Britain, so that they would return to their respective countries after they were indoctrinated--and work toward a unification with Britain.)

### RUSSIA

Came under the aegis of the House of Rothschild when 300 Jews from the lower east side of N.Y. City took over Russia during the Russian Revolution.

### RELIGION

Unification with Britain is promoted by British-Israel perversion of the Scriptures. Israel is to be the seat of World Government--THE KINGDOM OF GOD ON EARTH, with the Zionist Jews in control. They claim lineage with Jesus Christ and state they are of the 10 lost tribes of Israel! This is a Jew trick--and is false, for racial lineage dating back to any of the tribes of Israel was forever destroyed when the genealogical tablets were destroyed with the Jewish Temple in 70 A.D. Judaism is now being preached in Christian churches. For details read: SPIRITUAL COMMUNISM, price \$1.00, THE UNION JACK, price \$6.00. (only a few left) rental is \$2.50. NATO is the vehicle that will take us into WORLD GOVERNMENT. 15 nations on the Atlantic will federate- to form one country- under the rule of Britain, who is ruled by the Rothschilds!

Clarence Streit, Rhodes Scholar is promoting this union, has been approved by 90 congressmen. It is a hotbed of known communists. This means the end of the U.S.A.

NATO and SEATO will then merge to make a world government. For details, READ: POWER BEHIND THE GOVERNMENT TODAY, by Helen LaSell, price \$3.00. REAL RULERS OF AMERICA, by H. LaSell, price \$1.00-(limited supply).

THERE IS ONLY ONE PLOT TO TAKE OVER OUR COUNTRY--IT IS THE BRITISH-ISRAEL PLOT.

When Christ came to His own people, proclaiming that the Kingdom of God was at hand, but making it known that the Kingdom did not correspond at all to their idea of it; when He said, "My Kingdom is not of this world", and taught that, so far as from being Jewish, it was of such sort that a man must be born of the Spirit in order to enter it, then they rejected Him, ("received Him not") hated Him, betrayed Him and caused Him to be put to death. "Do not fail to read the book, GOSPEL OF THE KINGDOM.

The defeatists write me and say, "There is nothing left." How wrong they are! There is a greater challenge facing the Christian today than ever before. On the opposite page I have briefly outlined the plot. It is purposely brief, so you will understand it. PLEASE study it.

II Cor. 11:13 states: "For such are false apostles, deceitful workers, transforming themselves into apostles of Christ." Then in Mark 13:22, - "For false Christs and false prophets shall rise and shall show signs and wonders, to seduce, if it were possible, even the elect."

On page 2 of the book, SPIRITUAL COMMUNISM, we find this paragraph:

"As most Americans concern themselves with the dangers of Russian Communism they do not see the dangers of an invisible Communism. Those who planned Russian Communism planned Spiritual or Christian Communism. This term Christian Communism is not as self contradictory as it appears. Christian Communism defined simply means that through a futurist, materialistic interpretation of Bible prophecy, which says Christ will return to

set up a Divine Government on earth; world government is taught in the churches as Christianity. This is spiritual Collectivism or Spiritual Communism. When the people of the world can be educated through religion (fake Christianity) for world unity, Communism cannot fail. But this deceit is not called Communism. It is called Christianity."

Have you read Spiritual Communism? I have had the book reprinted and you may have a copy of this book free by sending in a donation of \$5.00 for a years subscription to this newsletter.

These false prophets are supported by the right wing patriots-- Christians who do not search the Scriptures! Evangelism is similar to a Ringling Brothers circus, only the Evangelists operate in a much smoother way. They have advance men in every city, ready to distribute bumper stickers, pay for newspaper advertising, radio and TV, even billboards to promote their Phariseism. The advance man in your city might even be your own pastor! They collect hundreds of thousands of dollars each year to promote Spiritual Communism.

Help correct this evil. Give copies of this newsletter to members of your church, your friends and neighbors. Order some tracts and distribute them. Buy some books and loan them out. If we believe in Christ, and we do, then we must work to correct this evil in every way possible.

Help preserve CHRISTIANITY!
